

Highlights

Pupils who have attained the required standard of competence attend competitions regularly throughout the term, including inter-school and national competitions.

- Rider selected to compete for England in the home ponies
- NSEA Grass Roots champions
- Addington NSEA Show Jumping champions
- Hickstead Show Jumping champions
- Hickstead Arena Eventing champions

Who can take part?

Anyone aged 5+ is welcome to enjoy riding at Millfield Prep School, from complete beginners who may take one lesson a week, to those who regularly compete nationally or in BS and BD competitions and wish to stable their horse on campus to ride daily. We also have pupils that have been very successful racing. Our aim is for pupils to take pleasure in their riding and to have fun.

Coaching is delivered by experienced coaches. We offer BHS Challenge Award training and tests, and hold stable management sessions on Wednesdays and at the weekend, for those who wish to learn more about caring for horses. Lessons start at 7.30am, pupils can also ride at lunch time and at 4-5pm and 5-6pm. There are also other options for full-time riders and those that have more than one horse.

Current facilities

Our first-class equestrian facilities include:

- Full time grooms and BHS qualified coaches
- Stabling for 20 ponies
- 120 acres featuring a hacking trail, a canter track and two all-weather arenas
- Registered Pony Club, with Pony Club testing
- Use of Senior School facilities
- Competitions including NSEA, dressage, show jumping and eventing
- Warm and spacious male and female changing rooms and a secure and organised rug and trunk room ensure that pupils can transfer between riding and their school studies with ease.

Equestrian Scholarships

Riding Scholarships are available for our most competent riders, from Year 6 upwards.

Contact prepadmissions@millfieldschool.com for more information on how to apply.

Bringing your horse to Millfield Prep

Pupils can keep their pony on full livery at the yard and, for pupils who are considering buying a pony in the future, a selection of our school horses are available on loan. We currently have stabling for 20 ponies, located in a picturesque converted farmyard with a modern barn stabling system as well as conventional stables.
