

mosyle@home

Mosyle@Home lets you set rules for safe and appropriate use of Apple Devices, reducing risks like Cyberbullying, inappropriate content, and excessive screen time.

Follow the steps below to start managing your child's device:

- 1 Go to the following URL to get started.

<https://myschool.mosyle.com/mosyleathome/>

- 2 Enter your email to create your account.

The screenshot shows the Mosyle@Home sign-up page. At the top is the Mosyle@Home logo. Below it is a large black house icon with a white 'i'. Underneath is a text input field labeled 'Enter your email to sign-up'. Below the field is a blue 'NEXT' button. At the bottom, there is a link that says 'Already on Mosyle@Home or ScreenGuide? Click here to log-in'.

- 3 Fill out your account info and click **Sign Up**.

The screenshot shows the account creation page. At the top is a circular profile icon placeholder with the text 'Click to change the picture' below it. Below that are two text input fields: 'Nickname' and 'Password'. The 'Password' field has an eye icon to toggle visibility. Below the fields is a line of text: 'By signing up, I agree to the Terms of Service and Privacy Policy'. At the bottom is a blue 'SIGN UP' button. The Mosyle@Home logo is at the very bottom.

- 4 Click **Create new family** to continue.

The screenshot shows the family creation page. At the top is a circular profile icon placeholder. Below it is the text 'Welcome John Smith!'. Underneath is a paragraph: 'You're now registered as a family guardian. To continue, join a family or start a new one.' Below this are two buttons: 'Create new family' and 'Join existing family'. The Mosyle@Home logo is at the bottom.

- 5 Enter your family name and click **Create**.

The screenshot shows the 'Create a family' screen. At the top is a back arrow and the title 'Create a family'. Below is a paragraph: 'Are you the first person in your family to use Mosyle@Home to manage a school owned device used by a child?'. Underneath is another paragraph: 'If so, you're in the right place. Create your family profile by typing your family name below:'. Below this is a text input field containing 'John's Family'. Below the field is a blue 'CREATE' button. At the bottom, there is a link: 'If not, go back and ask an activated family member to invite you by providing a guardian code.' The Mosyle@Home logo is at the very bottom.

- 6 Now you are signed in to your new account, click **New Member** and add your child to the account.

The screenshot shows the 'New Member' screen. At the top is a back arrow and the title 'New Member'. Below is a 'Type' dropdown menu with 'Child' selected. Underneath is a circular profile icon placeholder with the text 'Click to add a picture' below it. Below that is a 'Nickname' text input field. Underneath is a 'Birthday (optional)' section with 'Month' and 'Year' dropdown menus. At the bottom is a blue 'CREATE' button.

- 7 On your child's device, open the camera app and scan the QR code displayed on your screen.

The screenshot shows the 'New Device to John Smith' screen. At the top is a back arrow and the title 'New Device to John Smith'. Below is a paragraph: 'On your child's device, open the camera app and read the QR code below'. Below this is a large QR code. Underneath is a paragraph: 'If the camera app is not available, open Safari and type the following URL:'. Below this is a text input field containing the URL: 'https://myschool.mosyle.com/mosyleathome/connect/'. At the bottom is a small 'Done' button.

- 8 You will be redirected to the Mosyle School app. Enter using your Mosyle@Home credentials.

The screenshot shows the Mosyle@Home login screen. At the top is the Mosyle@Home logo. Below it is a large black house icon with a white 'i'. Underneath is a paragraph: 'Enter your password to login into your Mosyle@Home account.' Below this is a text input field containing 'joseph.smith@mosyle.com'. Underneath is another text input field labeled 'Password'. At the bottom is a blue 'SIGN IN' button.

After signing in to Mosyle School with your Mosyle@Home account, you'll be prompted to enter a code to connect your child's school device. Enter the code shown here:
