

mosyle@home

Mosyle@Home lets you set rules for safe and appropriate use of Apple Devices, reducing risks like Cyberbullying, inappropriate content, and excessive screen time.

Follow the steps below to start managing your child's device:

- 1 Go to the following URL to get started.

<https://myschool.mosyle.com/mosyleathome/>

- 2 Enter your email to create your account.

The screenshot shows the Mosyle@Home sign-up page. At the top is the Mosyle@Home logo. Below it is a large QR code. Underneath the QR code is a text input field labeled "Enter your email to sign-up". Below the input field is a blue "NEXT" button. At the bottom, there is a link that says "Already on Mosyle@Home or ScreenGuide? Click here to log-in".

- 3 Fill out your account info and click **Sign Up**.

The screenshot shows the Mosyle@Home account creation page. At the top is a circular profile picture placeholder with the text "Click to change the picture" below it. Below that are two input fields: "Nickname" and "Password". Below the input fields is a checkbox labeled "By signing up, I agree to the Terms of Service and Privacy Policy". At the bottom is a blue "SIGN UP" button. The Mosyle@Home logo is at the very bottom.

- 4 Click **Create new family** to continue.

The screenshot shows the Mosyle@Home family creation page. At the top is a circular profile picture placeholder with the text "Welcome John Smith!" below it. Below that is a message: "You're now registered as a family guardian. To continue, join a family or start a new one." Below the message are two buttons: "Create new family" and "Join existing family". The Mosyle@Home logo is at the bottom.

- 5 Enter your family name and click **Create**.

The screenshot shows the Mosyle@Home family creation page. At the top is a back arrow and the text "Create a family". Below that is a message: "Are you the first person in your family to use Mosyle@Home to manage a school owned device used by a child?". Below the message is a text input field labeled "If so, you're in the right place. Create your family profile by typing your family name below:". Below the input field is a blue "CREATE" button. At the bottom, there is a link that says "If not, go back and ask an activated family member to invite you by providing a guardian code." The Mosyle@Home logo is at the very bottom.

- 6 Now you are signed in to your new account, click **New Member** and add your child to the account.

The screenshot shows the Mosyle@Home "New Member" screen. At the top is a back arrow and the text "New member". Below that is a "Type" dropdown menu with "Child" selected. Below the dropdown is a circular profile picture placeholder with the text "Click to add a picture" below it. Below that are two input fields: "Nickname" and "Birthday (optional)". Below the input fields are two dropdown menus: "Month" and "Year". At the bottom is a blue "CREATE" button.

- 7 On your child's device, open the camera app and scan the QR code displayed on your screen.

The screenshot shows the Mosyle@Home "New Device" screen. At the top is a back arrow and the text "New Device to John Smith". Below that is a QR code. Below the QR code is a message: "On your child's device, open the camera app and read the QR code below". Below the message is a link that says "If the camera app is not available, open Safari and type the following URL:". Below the link is a text input field containing the URL: <https://myschool.mosyle.com/mosyleathome/connect/>. The Mosyle@Home logo is at the bottom.

- 8 You will be redirected to the Mosyle School app. Enter using your Mosyle@Home credentials.

The screenshot shows the Mosyle@Home login screen. At the top is the Mosyle@Home logo. Below the logo is a message: "Enter your password to login into your Mosyle@Home account." Below the message is a text input field containing the email address: "joseph.smith@mosyle.com". Below the input field is a "Password" label and a blue "SIGN IN" button. The Mosyle@Home logo is at the bottom.

After signing in to Mosyle School with your Mosyle@Home account, you'll be prompted to enter a code to connect your child's school device. Enter the code shown here:
