2026-2027 Local Control Funding Formula (LCFF)

REMINDER / RECORDATORIO

Dear Parents,

Welcome to the 2026-2027 school year. This year, we will continue to collect the LCFF Income Data Forms from each family. The LCFF is a funding formula for California's Public Schools that generates funding for schools and other important programs and services. To obtain these funds, the District must collect the information on the attached form from each family in the school district (one form per family). We ask if you can please help with this. It is simple and takes only a few minutes. To complete it online, please click the link or scan the QR Code below, or, if you prefer, request a hard copy form in the school office. If you have any questions, please call (619) 428-4476 x-3006, and we will be glad to help you. We appreciate your support!

Estimados Padres de Familia,

Bienvenidos al año escolar 2026-2027. Este año continuaremos recopilando los formularios del LCFF. El LCFF es una fórmula de financiamiento para las escuelas públicas de California que asigna fondos a programas y servicios clave. Para obtener estos fondos, el Distrito debe recopilar la información adjunta de cada familia del Distrito (un formulario por familia). Le pedimos que por favor nos ayude con esto. Es sencillo y solo toma unos minutos. Para completar el formulario en línea (internet), presione el enlace o escanee el código QR que está abajo, o, si prefiere, puede solicitar una forma en la oficina de la escuela. Si tiene preguntas, llame al (619) 428-4476 x-3006 y con gusto le asistiremos. ¡Apreciamos su apoyo!

EDUCATION BENEFIT FORM INSTRUCTIONS - School Year 2024-2025

To ensure maximum funding for your students' school, we must collect this completed form from all households. Use these directions to complete the Education Benefit Form for San Ysidro School District. Complete using only blue or black ink.

Step 1: Please list each student attending a school within the SYSD. Legibly print the student date of birth, first and last name, grade and school name.

Step 2: Count the total number of people living in your home and identify the total gross monthly income range.

Who should I include in "People Living in Home"?

You must include yourself and all people living in your household, related or not (for example, children, grandparents, other relatives, or friends) who share income and expenses. If you live with other people who are economically independent (for example, who do not share income with your children, and who pay a pro-rated share of expenses), do not include them.

☐ I have read the above and agree
