

IMPORTANT INFORMATION ABOUT SCHOOL CLOSINGS IN AN EMERGENCY

Residents in Florida know the dangers of inclement weather especially during the hurricane season. While very infrequent, there may be times when our schools may have to close to protect our students and be reopened as emergency shelters for the community. The superintendent in consultation with his staff and the Pinellas County Emergency Operations office makes decisions regarding the closing of public schools. Pinellas County Schools works closely with our local television and radio media outlets to inform the public when school closings occur. In addition, the district maintains its own public information telephone number that provides information on a daily basis regarding the status of schools being in session. The district website, www.pcsb.org, also provides updated information and a link to Emergency Shelter Information.

A recorded message will be provided each day regarding any changes in school openings or closings. The recording will be updated as additional information becomes available. Updates will be posted on the official PCS Facebook and Twitter accounts. Follow PCS on Facebook at www.facebook.com/mypinellasschools and Twitter at www.twitter.com/my_pcs for the latest information.

The following media outlets will also provide up-to-date information to the public in the event a school closing occurs or if the student day must be shortened due to emergency conditions:
