MEET YOUR COMMUNITY SCHOOLS COORDINATOR

My name is Rolando Yang. Before joining Williams, I spent three years as a School Counselor at Fort Miller Middle School, working closely with students and families in the Fresno High region. That experience has given me a deep understanding of our community and the strengths, needs, and stories that make it so special.

I'm really looking forward to building strong relationships with our students, staff, and the community. I'm also very passionate about creating opportunities for student learning, involvement, and inclusion.

This year, my focus is to work alongside students, parents, and stakeholders to remove learning barriers and increase student achievement outcomes.
