INCLEMENT WEATHER PROTOCOLS

School Closure because of Weather

Schools may be closed for inclement weather (snow, freezing rain, drifting snow, below zero temperatures, wind chills, etc.) and when it is dangerous to put buses on the road. The District may close schools when temperatures drop below -15. Listen to local radio stations for school closure information. Radio and television stations will have information no later than 5:30 a.m. Our mass communication platform (ParentSquare), the district website, and Facebook will also be used to notify families. If no announcement is made, schools are open as normal.

Inclement Weather Indoor Recess

Indoor recess will be initiated when the temperature drops below 17 degrees with wind-chill taken into account. Each school will provide for activities and supervision during the indoor recess time.

School & Buses Run Two Hours Late

On marginal days when it appears the weather will break, schools may start up to two hours later than normal. This allows road crews to catch up, temperatures to rise, and buses to run in daylight. If conditions do not improve, running late may be changed to closure. Radio and television stations will have information no later than 5:30 a.m.

Our mass communication platform (ParentSquare), the district website, and social media pages will notify families as well.

Early Closure

Because of the possibility of children coming home to locked houses, we will make every effort not to close schools early. However, under emergency conditions (a blizzard approaching, heating failure at school, etc.) we may need to proceed with early closure. Early closure will be announced on local radio stations, ParentSquare and school personnel will attempt to notify parents by phone.

What should parents do when Inclement Weather occurs?

1

Look for Updates

Check your phone to see if you have received a notification from the district, check our website or check our social media channels.

2

Dress for the Weather

Dress your children warmly: coats, hats, gloves, boots, and snow pants are strongly recommended.

3

Plan for Schedule Changes

Ensure child-care and student drop-off/pick-up arrangements in case of late start or an early dismissal.

MAKE YOUR SCHOOL YEAR GOAL GREEN!

¡HAZ QUE TU META ESTE AÑO ESCOLAR SEA VERDE!

Key Attendance Information:

- The Becca Bill mandates that students aged 8 to 17 attend school, with full-time attendance required for younger students if enrolled.
- Three unexcused absences in a month require a state-mandated conference to address attendance barriers.
- In middle/high school, a plan will be developed to reduce absenteeism; in elementary school, a conference is needed after five excused absences in a month or ten in a year, unless a doctor's note or pre-arranged absence is provided.
- Seven unexcused absences in a month or fifteen in a year require filing a petition with the Juvenile Court. Our goal is to intervene and support families before reaching this point.

Your cooperation is vital for your child's consistent attendance and academic success!

**CHRONIC ABSENCE -
18+ DAYS**

**AUSENCIA EXCESIVA -
18 DÍAS O MÁS**

**WARNING SIGNS -
10-17 DAYS**

**SEÑALES DE ADVERTENCIA -
10-17 DÍAS**

**SATISFACTORY -
9 OR FEWER DAYS**

**SATISFACTORIO -
9 O MENOS DÍAS**

Información clave sobre la asistencia:

- La Ley Becca exige que los estudiantes de 8 a 17 años asistan a la escuela, y que los estudiantes más jóvenes asistan a tiempo completo si están registrados.
- Tres ausencias injustificadas en un mes requieren una conferencia estatal para abordar las barreras de asistencia.
- En la escuela secundaria, se desarrollará un plan para reducir el ausentismo; en la escuela primaria, se necesita una conferencia después de cinco ausencias justificadas en un mes o diez en un año, a menos que se presente una nota del médico o una ausencia preestablecida.
- Siete ausencias injustificadas en un mes o quince en un año requieren la presentación de una petición ante el Tribunal de Menores. Nuestro objetivo es intervenir y apoyar a las familias antes de llegar a este punto.

Su cooperación es vital para la asistencia constante y el éxito académico de su hijo.
