
MILLER STUDENT PICK-UP PROCESS AT DISMISSAL

The Parent Lane is located on the south side of Miller. Using this lane to pick up your student will allow you to exit the complex without student traffic. You will be directed to exit the Katy-Ft. Bend side of Rhodes Stadium (Visitor Side).

- Follow the yellow ONE-WAY arrows and turn **right** **into the Robert E. Shaw Center parking lot.**
- Pull forward all the way to the southeast corner of Miller just before the bus lane in a single lane on the left.
- Students will use multiple exits to leave the building and walk directly to your vehicle.
- After loading your student, carefully pull out to the right and move around the other waiting vehicles to exit.
- Buses and vehicles picking up students in the Parent Lane will exit the Visitor Side of the stadium onto Katy-Ft. Bend Road.
