

NEVER MISS THE SCHOOL BUS AGAIN

With **Traversa My Ride K-12™**, families can track the bus as it travels.

Using data from the GPS hardware on our vehicles, **My Ride K-12** users know when to expect their bus each day. Available through a web portal or by mobile app, **My Ride K-12** sends “push notifications” to parents & guardians about bus stop delays or bus swaps and lets parents reach out to the Transportation Department with questions. Build a secure **My Ride K-12** profile and stay connected to your student's assigned vehicle, bus stop & stop times!
