Field Trip

The Wausau School District provides first aid and other health services to students based on our district health protocols and policies. Parents who do not wish to have their child receive health services must contact the building principal. I understand that health services will be provided by unlicensed personnel and not a registered nurse. Unlicensed staff will provide basic daily medical needs, 911 will be utilized for emergency care.

We understand that failure to follow these expectations may result in disciplinary action and/or loss of technology privileges. Furthermore, I authorize Wausau School District to consent on my behalf under COPPA to provide necessary educational account data (first name, last name, school email, and username) to vetted platforms, including [Google Workspace for Education](#) and tools approved on our [WSD District-Approved Apps Spreadsheet](#). I also approve of my child bringing their device home if allowed by their school.
