

Mountain Elementary Before School Supervision

"Early Bird Club 2026 - 2027"

Dear Families:

School begins promptly at 8:10am. While district policy allows for children to be on campus 15 minutes prior to the start of the school day (7:55), we know the 8:10 start time creates logistical issues for some families. Mountain offers a Before School Activity program for students from 7:30AM - 7:55, followed by supervised outdoor play. This is a free service. If your student needs to participate in the Early Bird Club, please read the information below and return the permission slip ASAP. Your student may not attend the program without the permission slip.

Purpose: To provide PK-6 children a place to meet before school where they will be engaged in supervised learning activities.

Expectations: Participation in the Before School Activity program is a privilege. Students are expected to demonstrate Safe, Responsible and Respectful behavior. Any disruptive or inappropriate behavior may result in removal from the program. Upon arrival, students will sign in and stay for the duration of the activity (7:30-7:55). Students arriving after 7:45 or without a permission form will wait in the lobby until outdoor supervision begins at 7:55.

Please do not arrive prior to the start time. *There will be NO activities on late start days.*

.....**Please complete the section below and return to Club Monitor or Office.**.....

My PK4-6th grade child(ren) will be participating in the Mountain Early Bird Club from 7:30-7:55. I understand participation is a privilege and have discussed with my child(ren) the expectations of safe, responsible, respectful behavior.
