- High School students pursuing Maricopa Grant Funds, to assist in the cost of Dual Enrollment, must still provide documentation demonstrating residency in the State of Arizona.
- The Maricopa Grant may be applied toward resident tuition and registration fees in dual enrollment courses only. Students are responsible for all other fees and charges.
- The Maricopa Grant may cover a maximum of twelve credit hours per student per year for all Maricopa Community College dual enrollment courses (number of credits depends on college budget and funding).
- Students must earn a grade of A, B, or C in all dual enrollment classes in order to be eligible for the Maricopa Grant in a future semester.
- Withdrawal from a course funded by the Maricopa Grant program after the last date for Official Course Withdrawal will disqualify a student for any future tuition assistance while in high school. A disqualified student may request reconsideration based on extenuating circumstances. The awarding of aid will be at the college's discretion.
- The Maricopa Grant is not a scholarship. It is a form of tuition assistance available to those students who demonstrate financial need. Proof of financial need must be submitted and does not guarantee funding. Awarding of the Maricopa Grant is based on the availability of funds.
