## **LOS LUNAS SCHOOLS INCLEMENT WEATHER DELAY, CLOSURE, REMOTE LEARNING, AND EARLY DISMISSAL INFORMATION**

### **LLS Inclement Weather Delay, Closure, and Early Dismissal Information**

LLS administration, security, and transportation keep diligent watch for potential weather that may impact the normal operation of our schools. Our first commitment is to ensure the safety of students and staff. LLS communicates with LLPD and other local agencies to determine if road conditions are safe for buses loaded with children and employees traveling to their work site.

### **How and when will families and employees be notified?**

When the determination to delay, cancel in-person school, hold a possible remote learning day, or dismiss school early is made, families and employees will receive notification via ParentSquare, and the district website will reflect the change. Local news outlets will provide updates as well. Please know that phone calls will not be made. Notification will be through ParentSquare and the district website, and LLS social media platforms. Notification of a 2-hour delay will be made by 6:00 a.m. or earlier if possible.

- Notification of a cancellation and possible remote learning day will be made as early as possible.
- Any early dismissal will be made as early as possible.

### **2-Hour Delay**

In the event of a 2-hour delay, buses will pick up students 2 hours later than the normal pickup time. Parents may drop students off at school 2 hours later than the normal time. Please do not drop off students earlier than 2 hours later than the normal time.

- On days with a two-hour delay, NM Pre-K classrooms will follow the District's delay.
- Both AM and PM DD Pre-K classes will be cancelled on delay days.
- Employees are expected to report to their worksite as soon as conditions are safe to do so.

### **Cancellation/Remote Learning Day**

- On days of school closure/remote learning, there will not be DD Pre-K or NM Pre-K.
- In the event of a Remote Learning Day, students will log into their Canvas to begin the Remote Learning Day two (2) hours later than the normal school start time. Students will have Zoom classes live with their teacher/s and will have independent work they are expected to upload.
- Grab-n-Go lunches can be picked up from any school site, not just the site the student is enrolled in. School schedules for inclement weather days accommodate an hour lunch to allow time for meal pick-up.

### **Athletics and Activities**

Visit the district website for updates on the status of athletics and activities.

### **Early Dismissal**

If severe weather conditions develop during the school day, students may be dismissed early. If students are dismissed early, parents will be notified through ParentSquare and the District's web site.
