Parent/Guardian Authorization

I request that the prescription listed above be given to my child. In the absence of the nurse, I expressly authorize other trained Anchorage School District ("ASD") personnel to administer this medication. Employees and agents of ASD strive to provide treatment consistent with the appropriate standard of care but are not infallible. I agree to release, defend, indemnify, and hold harmless ASD from any liability for the risks or results of the care, which may include INJURY, ILLNESS, or DEATH, or the way it is administered, including NEGLIGENCE. I will notify the school immediately if the medication is changed. I give permission for the exchange or release of health information between the medical provider listed above and ASD as part of the provision of my child's care. I agree for the nurse to share health information with ASD employees and agents on a need-to-know basis for my child's safety and to foster academic success. I understand that ANY remaining medication(s) will be disposed of at the end of the school year, unless I pick up the remaining medication(s) by the last school day, as indicated on the ASD school year calendar.

Prescription medication must be delivered by the parent/guardian in the original pharmacy labeled packaging with the student's name, medication name, dosage, route, administration time, ordering healthcare provider, pharmacy, date issued, and prescription number.

Inventory Control

Use this form to help manage medication inventory when receiving, returning, or otherwise adjusting medication.

- **Medication must be delivered by or returned to a parent/guardian.**
- Healthcare Services recommends accepting no more than a month's supply at a time.
- The Witness Signature can be the Parent/Guardian dropping the medication off or another ASD staff member.
