Campus Hazing Transparency Report

2025–2026 Academic Year

The Stop Campus Hazing Act requires institutions of higher education to comply with certain campus safety and security related requirements. A requirement of this act asks institutions of higher education to publish, biannually, a Campus Hazing Transparency Report summarizing findings concerning any student organization found to be in violation of the standards of conduct relating to hazing.

Vanguard University of Southern California publishes this report in compliance with the Stop Campus Hazing Act to summarize hazing-related findings for the reporting periods below.

Reporting Periods

July 1, 2025 – November 30, 2025

No hazing violations were found during this reporting period.

December 1, 2025 – June 30, 2026

No hazing violations were found during this reporting period.

Additional Information

Additional information regarding Vanguard University's hazing prevention policies, reporting procedures, and student conduct standards can be found in the Vanguard University Annual Security Report, available on the Department of Campus Safety website.

2025 hazing statistics will be included in the 2026 Annual Security Report, to be published no later than October 1, 2026.

Publication Schedule

In accordance with the Stop Campus Hazing Act, Vanguard University publishes this Campus Hazing Transparency Report at least twice per year, covering the periods of July 1 – November 30 and December 1 – June 30.

Vanguard University also complies with the Annual Hazing Incident Report Pursuant to AB 2193 (Holden, 2024), Ed. Code § 66305-66309 and reports annually to the Chairs of the California Assembly Higher Education Committee and the Senate Education Committee.
