ADMINISTRATIVE REPORTS

INTERIM SUPERINTEDENT

Mrs. Ingrid Cushing reported on the following topics:

- **FY26 District Audit Update:** Newkirk and Associates will conduct preliminary fieldwork on June 25th. The on-site fieldwork will begin in August. We are optimistic that the final report will be shared in a more traditional schedule during the months of October or November.
- **FY27 Budget Update:** Our Mrs. Whalen and I have completed a significant portion of the gathering of district needs for the upcoming school year. Once the amended budget is approved, budget work will become the focus. The tentative budget is on track to be presented in August with the final budget approval to occur in September.
- **Hiring Update:** We have numerous positions across various employee groups that have necessitated hiring in the late Spring and early summer months. Currently, we have a few positions that remain open, but we still have time to fill before the upcoming school year begins.
- **PLC Conference:** Our PLC at Work consultant invited our PLC Leadership team to attend a conference at his district in Westmont, Illinois on June 2nd. Ms. Kate Lance attended with a few of our division chairs. This opportunity allowed our staff to learn from a leader in the PLC world as well as network with educators from several other districts. We are appreciative of the opportunity to have attended.
- **FOIA Requests:** This past month, we received the following FOIA requests.

Requestor	Date	Request
Painters District Council David Arvayo	June 3, 2026	“...I request copies of the documents listed below related to any paint, drywall, and glazing contracts awarded since June 3, 2026.
