

SUCCESS GUIDE

CLASS OF

2029

Academic Advisement Students Entering Grade 9 in 2023-2024 and Thereafter

What Students and Parents Need to Know

What options lead to a standard diploma?

Successful completion of one of the following options:

- 24 credits
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) curriculum
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway (See section [s.] [1003.4282](#), Florida Statutes [F.S.])

What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end-of-course (EOC) or a comparative score

A waiver of assessment results is granted by the Individual Educational Plan (IEP) team for students with disabilities. Additionally, students who have been enrolled in an English for Speakers of Other Languages (ESOL) program for less than two years may meet the requirement for grade 10 ELA by satisfactorily demonstrating grade level expectations of formative assessments.

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade+: •Algebra 1

- Biology
- Geometry
- U.S. History

*Special note: Thirty percent not applicable if not enrolled in the course but passed the EOC (Credit Acceleration Program [CAP]).
(See s. [1008.22](#), F.S.)

What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 2.5 elective credits instead of 7.5
- Physical Education is not required

What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 3.5 elective credits instead of 7.5
 - 2 credits in CTE courses, must result in a program completion and industry certification
 - 1.5 credits in work-based learning programs; Physical Education is not required
- Fine and Performing Arts, Speech and Debate, CTE or Practical Arts is not required

24-Credit Standard Diploma Requirements

Available To All Students, Including Students With Disabilities

4 Credits ELA
• ELA 1, 2, 3, 4 • ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment may satisfy this requirement
4 Credits Mathematics*
• One of which must be Algebra 1 and one of which must be Geometry • Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry) ** • An identified computer science*** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)
3 Credits Science*
• One of which must be Biology, two of which must be equally rigorous science courses • Two of the three required course credits must have a laboratory component • Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology)** • An identified computer science*** credit may substitute for up to one science credit (except for Biology)
3 Credits Social Studies
• 1 credit in World History • 1 credit in U.S. History • 0.5 credit in U.S. Government • 0.5 credit in Economics
0.5 Credit in Personal Financial Literacy****
1 Credit Fine and Performing Arts, Speech and Debate, Career and Technical Education, or Practical Arts*
1 Credit Physical Education*
• To include the integration of health
7.5 Elective Credits
Students must earn a 2.0 unweighted grade-point average (GPA) on a 4.0 scale for all cohort years and pass statewide, standardized assessments.

*Eligible courses are specified in the [Florida Course Code Directory](#).

**Industry certifications for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute for mathematics and science credit.

***A computer science credit may not be used to substitute for both a mathematics and science credit.

****This requirement was added for students entering grade nine 2023-2024 and thereafter.

Academic Advisement

Students Entering Grade 9 in 2023-2024 and Thereafter

What Students and Parents Need to Know

Scholar Diploma Designation

In addition to the requirements of s. [1003.4282](#), F.S., a student must satisfy the following requirements:

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Pass the Geometry EOC
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC++
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC++
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

****Special note:** A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB, or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum college credit.

Industry Scholar Diploma Designation

- Meet standard high school diploma requirements
- Attain one or more industry certifications from the list established (per s. 1003.492, F.S.)

What is CAP? The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- | | |
|-------------|----------------|
| • Algebra 1 | • Geometry |
| • Biology | • U.S. History |

What are the additional graduation options for students with disabilities?

Students, in collaboration with parents and the IEP team, may choose two additional standard diploma options available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with a most significant cognitive disability may earn credits via access courses and be assessed via an alternate assessment.
- Students enrolled in the academic and employment option must earn at least 0.5 credit via paid employment in addition to meeting the standard diploma graduation requirements.

State University System

Admission into Florida's [State University System](#) (SUS) institutions is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA and admission test scores meeting minimum college-ready test scores per Board of Governors (BOG) Regulation 6.008
- 16 credits of approved college preparatory academic courses per BOG Regulation 6.002
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and higher)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

Florida College System

The 28 colleges of the [Florida College System](#) serve more than 650,000 students. Colleges offer affordable and stackable workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. All colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma, or earned college credit.

Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career, Adult and Technical Education District Postsecondary Institutions](#)

Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships.

[Office of Student Financial Assistance](#)

For more detailed information on Graduation Requirements visit the Florida Department of Education's webpage at <https://www.fldoe.org/schools/k-12-public-schools/sss/graduation-requirements/>.

Electives	7.5 credits	☐ ☐ ☐ ☐	☐ ☐ ☐ ☐
Personal Financial Literacy	.5 Credit	☐	

Students who do not meet graduation requirements (GPA, Credits And Test Scores) as outlined in Florida State Statute Section 1003.4282 will not be able to participate in graduation ceremonies and will not receive a high school diploma.

GRADE PLACEMENT AND PROMOTION

Beginning with the 2023-2024 9th grade cohort and thereafter, students will be promoted to the subsequent grade based on their cohort group, until the end of grade 11. **In order to be promoted to grade 12, a student must have earned at least seventeen credits. Three (3) of those credits must be in English, three (3) credits must be in math, and two (2) credits must be in science.**

If the student does not meet the criteria they will remain an 11th grader for the following school year. Their credits will be re-evaluated for possible senior promotion in January of their graduation year.

Consistent with school board rules and in accordance with state statute (1012.28(5)F.S.), the Superintendent has designated the principal of the school as the final authority in the placement of students in programs or classes.

12th grade students who are not on track to meet all graduation requirements, including earning all required credits and meeting a minimum standard of 2.0 GPA, will not be allowed to participate in Senior activities until those requirements are met, which includes participation in Grad Bash, senior breakfasts, and senior privileges.

CLASS RANK FOR GRADUATION

Student's Cumulative Grade Point Average (CGPA) used for the purpose of determining class rank, valedictorian and salutatorian will be calculated at the end of the seventh semester, for all students in programs earning a standard high school diploma. This GPA will include weighted Advanced Placement and dual-enrollment courses.

HONORS DESIGNATION

Students who receive a standard diploma may be considered for the following designation:

Highest Honor Graduate, High Honor Graduate, or Honors Graduate.

The following scale will be used at the end of the first semester of the Senior year to designate honor graduates:

Highest Honor Graduate: 4.0 and up

High Honor Graduate: 3.5 – 3.9999

Honor Graduate: 3.0 – 3.4999

Beginning with students who enter ninth grade in the 2025-2026 school year, students must also have a minimum of eight (8) credits that are considered upper-level coursework (honors, dual enrollment, or AP) and six (6) of those credits must come from core subject classes to be considered for the honors designation.

VALEDICTORIAN/ SALUTATORIAN DESIGNATION

Valedictorian and Salutatorian designation is only applicable for students who have been enrolled at BCHS for at least three (3) semesters and meet the qualifications of an Honor Graduate

From FLDOE - Graduation Requirements for Florida's Statewide Assessments

Dual Enrollment Opportunities at BCHS

FGC Florida Gateway College CTE dual enrollment

Which programs? HVAC, Welding, and EMT

Requirements? 2.0 GPA and required TABE scores. Also, EMT students must be 18 or turn 18 during the program.

Where are the classes? At FGC campus

Steps: Speak to your grade-level counselor about availability in your schedule and have them schedule the TABE test for you.

FGC Florida Gateway College Academic Dual Enrollment

Which programs? for students taking classes toward an AA or AS degree

Requirements? 3.0 GPA and college-ready test scores on ACT, SAT, or PERT

Where are the classes? Students take FGC classes online, at the FGC campus, or at BCHS

Steps: See Below

HOW TO APPLY FOR DUAL ENROLLMENT

Students that have the required test scores, a 3.0 GPA, and want to apply for dual enrollment will need to do the following:

1. Go to FGC.edu
2. Go to the search and type in high school dual enrollment and click on it
3. After you find the dual enrollment page, click Public and Private High Schools and Apply for Admission. (Be sure you do the dual enrollment application; it should say Dual Enrollment at the top.)
4. TYPE in your information on pages 2 and 3
5. After you type your information on the application, print it, and you and your parent will need to sign it.
6. Return the printed application to Mrs. Williams or Mrs. Stokes in Guidance
7. Mrs. Stokes will complete the last page of the application, and she will submit it to FGC
8. FGC will mail you an acceptance letter with your FGC identification number.
9. After you receive your letter, follow the directions to set up your accounts. Then, sign up to see Mrs. Stokes using the Guidance app in Baker Portal, and she will call you up to make your course selection for registration
10. Join the dual enrollment Google Classroom with the code **honnkr**.

Required Test Scores for Dual Enrollment

(For students working toward an AA or AS degree)

	PERT	ACT	SAT	CLT
ENGLISH	103 OR ABOVE	17 OR ABOVE	490 EBRW	Sum of 38
READING	106 OR ABOVE	19 OR ABOVE		
MATH (Intermediate Algebra*)	114 OR ABOVE	19-20	480 OR ABOVE	16 OR ABOVE
MATH (College Algebra)	123 OR ABOVE	21 OR ABOVE	530 OR ABOVE	Unable to be used for College Algebra at this time.

STUDENTS ARE REQUIRED TO HAVE COLLEGE READY TEST SCORES IN ALL THREE AREAS TO START DUAL ENROLLMENT. {READING, ENGLISH (WRITING ON PERT), AND MATH ON A COLLEGE PLACEMENT TEST. I.e. PERT, ACT, OR SAT}

REQUIRED TEST SCORES FOR CAREER AND TECHNICAL DUAL ENROLLMENT PROGRAMS MAY VARY FROM THE ABOVE SCORES. PLEASE VISIT YOUR COUNSELOR ABOUT CTE DUAL ENROLLMENT REQUIREMENTS.

TEST OF ADULT BASIC EDUCATION (TABE) GRADE LEVEL REQUIREMENTS

THE STUDENTS IN THE FOLLOWING PROGRAMS MUST BE TESTED USING TABE AND ACHIEVE THESE SPECIFIED SKILL LEVELS OR BE REMEDIATED UNTIL MEETING THE REQUIRED GRADE LEVEL EQUIVALENTS ON RETESTS. THE REQUIRED GRADE LEVEL EQUIVALENT ON THE TABE, WHICH MUST BE ACHIEVED FOR EACH CERTIFICATE PROGRAM, IS AS FOLLOWS:

Program	Code	Score Requirement			Level
		READ	MATH	LANG	
Air Conditioning & Heating Technology	ACRV	576	627	584	D
Welding Technology Basic Welding Technology Advanced	WTVC AWTC	576	596	584	D
Firefighter / EMT	FFEA	597	627	608	A

Planning to Go To College?

Types of Financial Assistance Available:

Grants-Do NOT have to be repaid.

Scholarships-Do NOT have to be repaid.

Loans-Do have to be repaid.

- 1) Make a list of schools that you are interested in attending.
- 2) Apply for **State** of Florida Scholarships such as Bright Futures at:
<https://www.floridastudentfinancialaidsg.org/>

Step by Step instructions are included in this document.
- 3) Apply for **Federal** Financial Aid by completing the FAFSA at studentaid.gov
This application is usually available in October but will be delayed for 2024 until at least December 1st, 2023. The new form is supposed to make the process easier and expand eligibility for more students.
 - 1) Changes to this FAFSA beginning this year include:
 - a. Elimination of questions and expanded eligibility
 - b. Easier information input
 - i. (no need to dig up your tax return information, it will be imported from the IRS.
 - c. Expected Family Income becomes Student Aid Index
 - d. Changes to the Pell Grant calculation
 - e. You will need to have your Financial Aid information sent to any school to which you apply.
- 4) Apply for other scholarships (deadlines vary).
 - a. Scholarships are updated regularly on the Baker County High School Website on the Guidance page and on the Class of 2024 Google Classroom.
- 5) Apply for Baker County Education Foundation Scholarships for which you qualify.
 - a. Last year these were released in February and were due March 10th. They are still posted on the Guidance Scholarship page if you want to see what was available last year.
- 6) Most colleges have their own Scholarship awards AND Foundation Scholarships that are available. Once you are accepted to a college, begin exploring their foundation scholarship options and apply for those also.

*75 volunteer service hours will be required for students entering grade 9 in the 2024-2025 school year and thereafter.

*75 volunteer service hours will be required for students entering grade 9 in the 2024-2025 school year and thereafter.

*Eligibility requirements are subject to change with each legislative session

†Different requirements apply to students graduating mid-year and seeking postsecondary funding in the immediate spring. See "Other Ways to Qualify" (on reverse) for details.

COMMUNITY SERVICE

VOLUNTEER SERVICE/PAID WORK HOURS REQUIREMENTS FOR FLORIDA BRIGHT FUTURES SCHOLARSHIPS

Volunteer Service is defined as identifying and addressing a social issue in the community.

These hours will meet the requirement for the Florida Academic Scholars, Florida Medallion Scholars or Gold Seal Cape scholarship and Gold Seal Vocational scholarship. The completed hours will be recorded on the student's transcript.

To be eligible to receive one of the Florida Bright Futures Scholarship Awards a student must complete a program of volunteer service work that includes a "minimum" of hours:

Florida Academic Scholarship (FAS)—100 volunteer service hours, or 100 paid work hours, or Combination of 100 total hours

Florida Medallion Scholarship (FMS)—75 volunteer service hours, or 100 paid work hours, or Combination of 100 total hours

Florida Gold Seal CAPE (GSC) • *30 volunteer service hours • 100 paid work hours • A combination of 100 total hours

*75 volunteer service hours will be required for students entering grade 9 in the 2024-2025 school year and thereafter

Gold Seal Vocational (GSV)—*30 volunteer service hours • 100 paid work hours • A combination of 100 total hours

*75 volunteer service hours will be required for students entering grade 9 in the 2024-2025 school year and thereafter

Hours earned as part of the Volunteer Service Program must be documented on the Volunteer Service Record

Log Sheet. Copies of these forms can be found in the front office, in guidance or downloaded and printed from our school website at bakerk12.org. Hours must be submitted to the community service designee in guidance. Students should turn in service records during the school year in which the service occurred and should keep a duplicate copy of all forms for their records.

Upon graduation, students who have served 150 hours of volunteer service (NOT INCLUDING WORK HOURS) will qualify for an honorary silver cord, which symbolizes their commitment to service. This cord will be worn during graduation.

**BAKER COUNTY HIGH SCHOOL
COMMUNITY SERVICE and or WORK HOURS**

Beginning with the class of 2023, students earning community service hours for bright futures may use work hours in lieu of service hours.
Service and work hours can be combined.

Community Service and/or Work Hours must be completed with a company, organization or business where they can be verified.

This form is to document my: ☐ Community Service OR ☐ Work Hours

Organization Name (Organization or Business that hours were completed with): _____

Student Name: _____ Student ID #: _____

Grade Level: _____ Expected Year of Graduation: _____

Supervising Adult Name: _____

Date/s of Service: _____ Total Hours from Time Sheet: _____

Also complete the Time Sheet on the back of this form

Required for Community Service Hours ONLY: please use complete sentences and describe the community service project performed and how it helped the community:

Student Signature:

Supervising Adult Signature:

Vice Principal, BCHS Guidance, or Designee

SERVICE OR WORK HOURS NOT PERMITTED

SERVICE HOURS NOT PERMITTED

1. Court mandated community service.
2. Service hours where a family member is verifying the completed hours.
3. An activity where there is no responsible adult on site to evaluate and confirm student performance.
4. Donations, such as Locks of Love or giving blood.
5. Participation on a sports team or a performance of any kind unless participation is considered an act of service.

6. Participation in an event with a school club for the purpose of funding a personal field trip or other personal item. Hours can be accepted if they are solely for an act of service.
7. Service provided for a "For Profit" organization or one that isn't available to the entire community.
8. Any church related services that are performed during a time that you would ordinarily be attending church services.

WORK HOURS NOT PERMITTED

1. Work hours where a family member is verifying the completed hours.
2. Work hours that are part of a high school credit work program (OJT, DCT, etc) PLEASE Record work hours exactly as they are submitted on timecards for OJT.

**OJT students, please record hours exactly as they were submitted on your time sheet.
Guidance will calculate the number of allowable hours based on your OJT periods.
A copy of your timecard can be attached in lieu of filling this time sheet out.**

Date	Activity	Time In	Time Out	Total Hours
	TOTAL HOURS FOR THIS SHEET			Total Hours

(Each project should be completed on a separate time sheet. All community service hours should be submitted during the same school year in which they were completed.)

(Please submit work hours MONTHLY and a copy of OJT timecards if applicable. Guidance will calculate allowable hours (those hours in excess of OJT periods.)

Florida Financial Aid Application (FFAA)

This application is used to evaluate the student for Florida Bright Futures and other state scholarships.

How to do the application

Go to www.FloridaStudentFinancialAids.org

- First-Time Applicants; click "Create a Student Account"
- Create PROFILE
 - Students will be **required** to create an account (Profile)
 - After creating the Profile, student's User ID and password will temporarily display— Student will also receive an email with their User ID and temporary password
 - Be sure to use a private email that you will still have after graduation
 - Be sure to keep your Student Account login and password so you can go into your account
- After creating a Profile, students will have the option to continue directly to the FFAA
 - You will need your graduation date—
 - If you have completed Dual Enrollment classes, you mark Freshman (with previous college)
 - After submitting the FFAA, **the student is responsible for tracking the application and award status online** and keeping the Office of Student Financial Assistance (OSFA) informed of any demographic or institutional changes.
 - Completing the application in the fall (Starting October 1) is highly recommended this it will allow for an early evaluation of your transcript by Bright Futures
 - If you do not complete this application, you will not be eligible for the scholarships.

The community service hours, required coursework, and required grade point average must be met by high school graduation.

It is recommended to complete the application early and as you continue to earn college entrance exam test scores the scores will be added to your profile by OSFA. You must send your ACT and SAT scores to a Florida Public University for the OSFA to receive your scores. The OSFA will add your ACT and SAT test scores through August 31. All PERT scores will be reported to the OSFA on your high school transcript. All PERT scores will need to be submitted to BCHS before high school graduation.

Some of the state scholarships have an April 1— deadline so your application would need to be completed before then.

Career & Technical Centers

Florida also offers students 49 accredited career and technical centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry specific education and training for a wide variety of occupations. The Bright Futures Gold Seal Vocational Scholars Award is available to assist with the payment of educational expenses.

Independent Colleges & Universities

In addition to public colleges and universities, Florida offers 30 private, not-for-profit educational institutions all based in Florida and accredited by the Southern Association of Colleges and Schools (SACS). These schools serve more than 154,000 students across Florida at over 100 main and satellite campuses. Florida's independent colleges and universities award 25 of Florida's bachelor degrees and 1/3 of all degrees. They vary in enrollment from 200 to 26,000 students. Florida's independent colleges and universities guarantee access for all state college graduates as well. More than 95% of full-time undergraduate students receive some form of financial aid. Admission requirements vary by school, so students must stay informed about what each program requires.

U.S. Military Entrance

The U.S. Military branches offer another option for students after high school graduation. The Armed Services Vocational Aptitude Battery (ASVAB) is the required entrance test to enlist in the U.S. Military.

For more information on the ASVAB, visit <http://www.military.com/asvab>.

Please visit the websites below for more [information related to entrance](#) requirements:

NCAA ELIGIBILITY

ONE OPPORTUNITY. LIMITLESS POSSIBILITIES.

If you want to play NCAA sports at a Division I or II school, you need to register with the NCAA Eligibility Center at eligibilitycenter.org. If you plan to compete at a Division III school or currently are not sure in which division you want to compete, create a [free Profile Page](#) account.

ACADEMIC REQUIREMENTS

To play sports at a Division I or II school, you must complete a total of 16 NCAA-approved core courses, earn a corresponding test score* that matches your core-course GPA and submit proof of graduation to the Eligibility Center.

CORE-COURSE REQUIREMENTS

Complete a total of 16 core courses in the following areas:

Division I

To study and compete at a Division I school, you must complete 10 of your 16 core courses, including seven in English, math or natural/physical science, before the start of your seventh semester.

Division II

GRADE-POINT AVERAGE

The NCAA Eligibility Center calculates your [core-course grade-point average](#) based only on the grades you earn in NCAA-approved core courses.

- Division I requires a minimum 2.8 GPA.
- Division II requires a minimum 2.2 GPA.

SLIDING SCALE

Divisions I and II use sliding scales to match test scores and GPAs to determine eligibility. The sliding scale balances your test score with your GPA. If you have a low test score, you need a higher GPA to be eligible. Find more information about sliding scales at ncaa.org/test-scores.

TEST SCORES

Every time you register for the SAT or ACT, use code 9999 to send your scores directly to the NCAA Eligibility Center from the testing agency. You may take the SAT or ACT an unlimited number of times before you enroll full time in university. If you take either test more than once, the best subscores from each test are used for the academic certification process.

*More information regarding the impact of COVID-19 and test scores can be found at on.ncaa.com/COVID19_Spring2023.

HIGH SCHOOL TIMELINE

NCAA ELIGIBILITY

GRADE

9

Freshman Year: Register

- Start planning now! Take NCAA-approved courses and earn the best grades possible.
- Find your high school's list of NCAA-approved core courses at eligibilitycenter.org/courselist.
- Register for a free Profile Page account at eligibilitycenter.org for information on NCAA initial-eligibility requirements.

GRADE

10

Sophomore Year: Plan

- If you fall behind academically, ask your counselor for help finding approved courses you can take.
- If you are being actively recruited by an NCAA school and have a Profile Page account, [transition it to a Certification account](#).
- Monitor the task list in your Eligibility Center account for next steps.
- At the end of the school year, ask your counselor from each high school you have attended to upload an official transcript to your Eligibility Center account.

GRADE

11

Junior Year: Study

- Check with your counselor to make sure you are on track to complete the required number of NCAA-approved core courses and graduate on time with your class.
- Take the [SAT/ACT](#) and submit your scores to the Eligibility Center using code 9999.*
- Ensure your sports participation information is correct in your Eligibility Center account.
- At the end of the school year, ask your counselor from each high school you have attended to upload an official transcript to your Eligibility Center account.

GRADE

12

Senior Year: Graduate

- Complete your final NCAA-approved core courses as you prepare for graduation.
- Take the [SAT/ACT](#) again, if necessary, and submit your scores to the Eligibility Center using code 9999.*
- Request your final amateurism certification beginning April 1 (fall enrollment) or Oct. 1 (winter/spring enrollment) in your Eligibility Center account at eligibilitycenter.org.
- After you graduate, ask your counselor to upload your final official transcript with proof of graduation to your Eligibility Center account.
- Reminder: Only students on an NCAA Division I or II school's institutional request list will receive a certification.

How to plan your high school courses to meet the 16 core-course requirement:

$$4 \times 4 = 16$$
