

JOIN A CLUB

STEAM + CODING

Advisors: Mrs. DiTomasso + Ms. Jacob

Get ready to build, create, and bring your ideas to life in the STEAM + Coding Club! In this club, you'll become a designer, inventor, and problem-solver as you explore hands-on STEAM challenges and fun coding projects. You'll work with friends, try out new ideas, and learn how real computer scientists think. If you love creating, experimenting, and making cool things happen, this is the club for you!

STUDENT COUNCIL

Advisors: Ms. Russo + Ms. LoNigro

Step into leadership and make your voice heard in Student Council! In this club, you'll plan and run school activities, spirit events, and service projects that help both your school and the wider community. You'll work as a team to organize fundraisers, promote school spirit, and bring ideas to life that make a real impact. As part of student government, you'll also explore how communities work and what it means to be an active, responsible citizen.

CHORUS

Advisor: Ms. Moore

Love music and performing? In this club, you'll sing and perform in exciting concerts for school, community events, PTA programs, and more! You'll work closely with your peers to learn and master new pieces, blending your voices as you explore different styles of music. Along the way, you'll build your skills in tone, rhythm, harmony, and expression while discovering what makes each piece unique. Come be part of a team where your voice matters and every performance is a chance to shine!

GARDENING

Advisor: Ms. Butler

Get ready to dig in and discover the wonders of nature in the Gardening Club! You'll learn how to plant, care for, and harvest all kinds of plants while getting hands-on experience with soil, seeds, and gardening tools. As you work together with friends, you'll explore the plant life cycle and see how tiny seeds grow into something amazing. With teamwork, patience, and care, you'll help our school garden thrive—and enjoy watching your hard work bloom!

SAFETY PATROL (4TH GRADE ONLY)

Advisor: Ms. Lyons

Step into a leadership role in Safety Patrol, where you'll work alongside school staff to help keep our school community safe. After applying and being selected for this important responsibility, you'll take on a designated safety post and help ensure students of all grade levels are following school rules and staying safe throughout the day. This club is all about leadership, responsibility, and making a real difference in your school community!

*ALL OTHER CLUBS OPEN TO 3RD AND 4TH GRADE STUDENTS

REGISTRATION OPENS FOR ALL CLUBS ON 9/18 AT 9:00 AM.
