No more than three (3) such non-unit individuals will be utilized by the Board in a semester.

ARTICLE 2 - MEMBERSHIP IN ASSOCIATION

SECTION 2.1 - Employees shall have the right to join or not to join the Association and membership in the Association shall not be a condition of employment or continued employment. No employee shall be required to pay any dues, fees, fines, and assessments or give any financial or other support or assistance to the Association as a condition of employment or continued employment.

ARTICLE 3 - RIGHTS OF THE ASSOCIATION

SECTION 3.1 - The Association shall have the right to continue to use existing bulletin boards designated for Association use or portions of existing bulletin boards designated for Association use in each school for purposes of communicating with the Association's members. Administration reserves the right to review communications posted on bulletin boards.

Association representative present at the hearing. Such a hearing shall not be unreasonably delayed due to the unavailability of an Association representative.

ARTICLE 6 - WORK STOPPAGES

SECTION 6.1 - The Association agrees that during the term of this Agreement neither it nor its officers, agents, or representatives will authorize, cause, instigate, condone, engage, or participate in any work stoppages, sit down, strike, slowdown, sympathy strike, picketing or bantering, refusal to cross any picket line, boycott or any other action which may interrupt or interfere with the education of any student in Sycamore Community Schools or interrupt or interfere with any of the operations of Sycamore Community Schools.

SECTION 6.4 - The violation of this Article by any employee shall constitute just cause under this Agreement and all the provisions of the ORC for the immediate suspension without pay and/or termination of the employee's employment and all the employee's individual employment contracts with the Board.

ARTICLE 7 - MEDICAL EXAMINATIONS

SECTION 7.1

- (A) Any employee who has been absent from duty -- because of injury or absence of ten or more consecutive work days or return to work from a medical leave of absence -- may be required by the Board to submit medical evidence of ability to perform his/her job duties upon returning to work. The Association President shall be notified of any employee being required to undergo a medical examination under the conditions of this section. If the District requires an employee to undergo a medical examination, the employee shall be placed on paid administrative leave until the date of the medical examination, provided that any delay in scheduling or conducting the examination is not due to the employee's unavailability.

- (B) Satisfactory medical evidence shall consist of a signed statement from the employee's personal physician certifying that the employee is physically and mentally able to return to work and perform his/her job duties.

SECTION 7.2 - DRUG FREE WORKPLACE

An employee who violates the terms of this policy shall satisfactorily participate in a drug abuse assistance or rehabilitation program approved by the Board. If the employee fails to satisfactorily participate in such a program, the employee shall be non-renewed, suspended or terminated at the discretion of the Board.

Drug and alcohol testing may be performed based upon reasonable suspicion or probable cause.

ARTICLE 8 - DURATION

SECTION 8.1 - This Agreement shall be in effect from upon ratification by the Association and approval by the Board of Education through July 31, 2027. It shall continue in effect from year to year thereafter unless either the Board or the Association serves a written notice on the other of its intention to amend or terminate this Agreement one hundred twenty (120) calendar days prior to August 1, 2027, or one hundred twenty (120) calendar days prior to July 31 of any school year thereafter.

ARTICLE 9 - NEGOTIATIONS PROCEDURES

SECTION 9.1 - Within ten (10) working days after receipt of the written notice to negotiate, the negotiating teams for the Board and the Association will hold an informal meeting. At the informal meeting the Board and Association negotiating teams will hold an informal discussion of possible issues for negotiation. Formal negotiations for a new Agreement will begin within ten (10) working days after the informal meeting. Attendance at all negotiating meetings between the Board and the Association negotiating teams shall be limited to the members of the teams, which shall not exceed six (6) persons on each team, except for the facilitator or any other persons the negotiating teams mutually agree, at their prior negotiating meeting, to allow to attend for the sole purpose of making a specific presentation of a subject of the negotiations.

SECTION 9.2 - If release time is needed by members of the Association's Negotiating Team to prepare for negotiations, the Association President, Vice Presidents, and the Superintendent or designee shall meet to discuss the appropriate release time. Any release time given to the Association to prepare for negotiations shall not be deducted from the Association Leave days in Section 3.11.

SECTION 9.3 - If the Parties cannot reach agreement on all sections of the contract, or if agreement is not reached ten (10) days before the expiration of the contract, the parties agree to utilize an alternate settlement dispute procedure through the Federal Mediation and Conciliation Service (FMCS), as opposed to the fact finding process contained in ORC 4117.14C and under Ohio Administrative Code Rule 4117-9-05 (B) (C).

SECTION 9.4 - The Board and the Association, for the life of this Agreement agree that each may voluntarily propose matters or subjects referred to or covered in this agreement for discussion, and that the other, while not obligated to discuss, may voluntarily enter into such discussions. SECTION 9.5 - The parties further agree that this instrument represents the complete Agreement between the parties and supersedes any and all prior oral or written agreements or understandings between the Board and Association. All resolutions, policies, practices, procedures, rules or regulations that are contrary to or inconsistent with the terms of this Agreement are superseded by this Agreement. All resolutions, policies, practices, procedures, rules or regulations that are not contrary to or inconsistent with the terms of this Agreement shall continue in effect until changed by the Board.

ARTICLE 10 - SEVERABILITY

SECTION 10.1 - Should any provision contained herein be rendered or declared illegal by reason of any existing or subsequently enacted legislation or by any final decree of a court of competent jurisdiction or by the final decision of any duly authorized government agency (except Sycamore Community Schools Board of Education), said invalidation shall not affect the remaining provisions of this Agreement and only that provision rendered or declared illegal shall be deemed null and void and the parties shall meet within ten (10) calendar days to renegotiate that provision rendered or declared illegal.

ARTICLE 11 - GRIEVANCE AND ARBITRATION PROCEDURE

SECTION 11.1 - A grievance is defined as, and limited to, a dispute an employee, group of employees, and/or the Association may have with the Board, and/or any of its supervisors or management level personnel, directly relating to the interpretation, application or alleged violation of any of the express terms of this Agreement.

SECTION 11.2 - Employees have the right to present grievances and have grievances adjusted as long as the adjustment is not inconsistent with the terms of this Agreement, and as long as an Association representative has the opportunity to be present at the adjustment, as provided in Section 4117.03 (A) (5) of the ORC. An individual employee who has a grievance shall have the right to have association representation of his or her choosing present at any grievance hearing at the first step of the grievance procedure.

SECTION 11.3 - An effort shall be made to adjust grievances promptly and in the following manner and order:

First Step:

Should an employee or the Association claim a grievance, the grievance shall be presented to the employee's building principal or designee within ten (10) working days after the event has occurred giving rise to the grievance. The grievance must be presented in writing on a form as set forth in Appendix A, and must be signed and dated by the employee. The grievance shall state: (1) the alleged cause of the grievance, including date, time and place; (2) the provisions of this Agreement about which there is a dispute directly relating to the interpretation, application or alleged violation; and (3) the remedy requested. The building principal or designee shall hold a hearing with the grievant to investigate and discuss the grievance within five (5) working days after the grievance is presented to the building principal or designee. The building principal or designee shall give the grievant and the Association President a written answer within ten (10) working days after the close of the hearing.

Second Step:

If the grievance is not settled in the first step above, the written grievance may be presented by the employee to the Superintendent or designee within five (5) working days after receipt of the first step answer. Within five (5) working days after receipt of the written grievance the Superintendent or designee shall hold a hearing to investigate and discuss the grievance. Should the grievant choose to have a representative present at the hearing as provided in the Section 11.2 above, he/she shall notify the Superintendent or designee at least three (3) working days in advance of the hearing. Within ten (10) working days after the close of the hearing, the Superintendent or designee shall give the grievant and the Association President a written answer to the grievance.

Third Step:

If the grievance is not settled in the second step above, the written grievance may be presented by the Association to arbitration by serving a written notice to the Superintendent or designee within fifteen (15) working days after receipt of the second step answer. Within ten (10) working days after receipt of such arbitration notice, a representative of the Board and the Association shall request a list of arbitrators from the FMCS. The arbitrator shall be chosen from a list of fifteen (15) names; if the parties cannot agree to an arbitrator from the list, a second list will be requested from FMCS. If the parties cannot agree to an arbitrator from the second list, the parties will alternately strike names from the list until only one remains. The arbitrator shall hold the necessary hearing(s) and issue a written decision within fifteen (15) working days of the close of the hearing. The decision of the arbitrator shall be final and binding on the Board, the employee(s) and the Association. The arbitrator shall have no power to add to, subtract from, or change, modify or amend any of the terms and provisions of this agreement, and no arbitrator shall have any authority to hear or determine a dispute involving the exercise of a Board right which is within the exclusive authority of the Board. The Board and the Association shall share the cost for the arbitration equally.

SECTION 11.4 - The Association shall have the right to file a grievance within ten (10) working days of the event under this Article if the subject matter of the grievance is an alleged violation of

this Agreement concerning express rights or privileges granted to the Association or its officers or representatives by this Agreement or alleged violation of the express terms of this Agreement in regard to a subject arising out of like circumstances and affecting two (2) or more employees. The Association shall file process and resolve a grievance in the name of one (1) or more employees only after the affected employee(s) have signed the grievance. The Association will file any Association Grievance, first step, with the principal, if the principal has the authority to resolve the grievance. If the principal does not have the authority, the Association will file with the Superintendent or designee.

SECTION 11.5 - The settlement of any grievance at Steps One or Two of the grievance and arbitration procedure and the decision of the Superintendent or designee at any step of the grievance and arbitration procedure, shall not constitute an admission by either party that any provision of this Agreement has been violated and shall not constitute a precedent or be cited or relied upon by either party to this Agreement or any employee or other person in regard to any other grievance, arbitration, administrative, court, or other legal proceeding.

SECTION 11.6 - An employee of the Association must exhaust all the steps of the grievance and arbitration procedure set forth in this Article before bringing any legal action in any court of law or before any administrative agency or before any other person or body in regard to any matter which is grievable under this Article.

SECTION 11.7 - Any grievance which has not been presented under the grievance and arbitration procedure within the time limits specified herein for presentation of grievances, and any grievance which is not appealed to the next step of the grievance and arbitration procedure within the applicable time limits specified herein shall be considered as settled and shall not be subject to any further discussion or appeal. All steps and time limits specified in this Article are mandatory and the steps may be waived or the time limits extended or reduced only by written mutual agreement between the grievant and/or Association and the Board or the Board's authorized representative.

SECTION 11.8 - No grievance shall be written, presented, investigated, processed or discussed during working time unless otherwise mutually agreed by the grievant and/or Association and the Board or the Board's authorized representative.

SECTION 11.9 - At any hearing at Steps One or Two of the grievance procedure, the grievant or the grievant's representative shall have the right to initially present the grievance within a reasonable time without interruption. A question and answer period will follow. Before the close of the hearing, the grievant or the grievant's representative shall have the opportunity to present a final summary of the grievance within a reasonable time. Hearings at any step of the grievance procedure shall be held at reasonable times and places.

SECTION 11.10 - An arbitrator may not hear and determine more than one (1) grievance unless the presentation of more than one (1) grievance to him/her is mutually agreed to in writing by both the Association and the Board.

SECTION 11.11 - The Board shall not be required to make any payment or payments for back pay or any other benefits for any time period earlier than the first date of the collective bargaining agreement under which a written grievance is filed.

SECTION 11.12 - If no answer to a grievance is given within the time limits of this Article, the grievance will be deemed to be denied and shall proceed to the next step of the grievance or arbitration procedure as provided for in this Article.

SECTION 11.13 - Work day (working day) shall be defined as those days when school is in session during the individual contract year. Between the end of the individual contract year and the beginning of the next individual contract year, the Association and Board or designee will mutually agree on how to process the grievance.

ARTICLE 12 – STAFF EVALUATION

SECTION 12.1 - The Board shall annually compile a list of names of employees to be evaluated that includes the names of the evaluator, evaluation instrument and evaluation cycle for each employee. The list shall be given to the Association President or designee by September 30 and any additions or corrections to this list will be given to the Association by November 15. Credentialed district office administrators may be utilized to conduct evaluations in addition to principals and assistant principals.

SECTION 12.2 - The purpose of the evaluation process is to communicate and collaborate with the employee to help foster the employee's professional growth and development. The role of the evaluator shall be to conduct observations, hold pre- and post-evaluation conferences, may identify areas of improvement, and provide supports to make improvements and provide dates by which improvements should be made.

SECTION 12.6 - The evaluation instrument may only be changed by mutual agreement of the Association and the Board. The Evaluation Committee will meet quarterly to review evaluation process and procedures.

SECTION 12.7 - No bargaining unit member shall at any time be directed to observe or evaluate the work of another bargaining unit member for the purposes of regularly scheduled evaluations. No bargaining unit member shall at any time be directed to observe or evaluate the work of another employee except in connection with regularly scheduled evaluations. Completing or failing to complete an evaluation or feedback on other employees of the Board shall not be noted or affect an employee's own personal evaluation.

SECTION 12.8 - Should an evaluator determine that the bargaining unit member needs to improve in any of the domains that have been scored as "Developing" or "Ineffective" as listed on the evaluation instrument, an Improvement plan may be developed. It shall include the performance standard and the specific component of the indicator area that is to be improved. The evaluator shall list specific recommendations for improvement, the means to make improvement, and the date by which improvement should be made. - (A) Teachers will be considered to have comparable evaluations unless they are on an Improvement plan in the school year leading into a RIF or have a FHR of “Ineffective” under the Ohio Teacher Evaluation System (OTES). The Board and the Association will meet within ten (10) calendar days of the Board giving the Association its intent to RIF.
- (B) Reasons for layoff of any member shall not be arbitrary, capricious or discriminatory. Layoff decisions are subject to the grievance procedure.

SECTION 24.3 - Seniority is defined as the length of continuous full-time service of each employee from date of most recent hire by the Board while under teacher certification and individual employment contract within Sycamore Community Schools. Substitute teaching and home tutoring shall not be considered continuous full-time service, but part-time employees teaching under teaching certification and individual employment contracts shall accrue pro-rated seniority on the basis of their part-time service within Sycamore Community Schools upon becoming full-time teachers within the District.

- (A) Except as otherwise specified in this Agreement, periods of time while an employee is on an approved unpaid leave of absence shall not count toward continuous full-time service; however, such leaves of absence will not be considered at termination of employment.
- (B) Persons who are certificated and who are employed by the Board outside the bargaining unit shall have seniority from their most recent date of hire by the Board for purposes of this Article in the event they are transferred by the Board to the bargaining unit and they shall be listed on the appropriate certification seniority lists for purposes of this Article and shall have all rights provided to employees by this Article.
- (C) Employees who retire, resign or otherwise terminate employment with the Board and who are then re-employed by the Board shall begin accumulating seniority from their most recent date of hire.
- (D) In the case of identical seniority, the effective date of employment with the Board as indicated by the official Board hiring date will be used to resolve ties, except when documentation is available to indicate an employment commitment was made and a person was not recommended for hire at the next Board meeting due to scheduling or clerical problems. If official Board hiring dates are identical, the date of receipt of the formal job application from the employee will be used to determine seniority. If the formal job application date is more than three hundred sixty-five (365) days prior to the date the Board hired the employee, no more than three hundred sixty-five (365) days will be counted for purposes of calculating seniority based on the formal job application date. Should all of the foregoing dates be identical, the employee with the most years of total service in education in Sycamore Community Schools shall be the employee with the most seniority. Should seniority dates still be identical, total service in education inside and outside Sycamore Community Schools shall be used to determine seniority. Substitute teaching

and home tutoring will not be considered as service in education inside or outside Sycamore Community Schools for seniority purposes.

- (E) The Board shall compile a seniority list of employees for each certification type during the first quarter of each school year after the data is received from each employee by October 15 of each school year. The names of employees who are certified for several certification types will appear on each such seniority list. Each list will show whether or not the employee is actively working in the certification type for that school year. It is each employee's individual responsibility to notify the Board by October 15 of each school year of the types of certifications held and any changes in certification, which the employee wants, reflected on the current year's seniority lists. The Board must receive a copy of each certificate within the time limits set forth herein and employees must complete any requested forms within the time limits set forth herein in order to be listed on the seniority list for a certification type. Any new certifications submitted after October 15 of any school year will place the person at the bottom of the certification type list for the remainder of that school year. In subsequent school years the employee will be placed on the certification type seniority list in order of seniority as determined above.
- (F) Replacement Teachers will be placed on the seniority list in the area of their certification. Their seniority will be listed beginning as per Section 24.3 (C) with their most recent date of hire as the seniority date.

SECTION 24.4 - Employees who are to be suspended without pay under this Article will be notified of the suspension by certified mail or hand delivered as soon as possible. The Association shall receive notification of such action prior to Board action.

SECTION 24.5 - An employee notified of the suspension of his/her contract without pay under this Article while actively working within a particular certification type, may displace another employee actively working in another certification type, on the basis of performance, provided the displacing employee is properly certified to replace the displaced employee and the displacing employee's name appears on the previously established seniority list for the displaced employee's certification type. Seniority will not be the basis for the decision except where teachers' performance is comparable.

Bumping is defined as moving into a vacant position or into a position held by the least senior person in the area of certification/licensure that is held by the displaced person. The following applies to a bumping situation:

- (A) A substitute certificate/license is intended by the state to be used by individuals who are substituting or taking the place of a fully certified employee who is absent or on leave, ORC 3319.10.
- (B) Any position filled by an employee with a long term/short term substitute certificate can be bumped into by a certificated/licensed displaced employee.

- (C) Any employee, who is in a position that is abolished, and who holds temporary certification for that position, may bump into a position for which they hold certification/licensure.
- (D) First the Board will assign the displaced employee to any vacant position due to attrition. Assignments to a position that is held by the least senior bargaining unit member in the displaced employee's certification will occur only after vacant positions created because of attrition have been filled.
- (E) The displaced employee with more than one area of certification shall be placed in the area of certification by the following criteria:
 - 1. First, they will be assigned to a position in the area of certification which is vacant due to attrition.
 - 2. Second, they will be assigned to a position in the area of certification which is held by the least senior member.
 - 3. Third, if the second choice above has 2 positions held by staff with the same amount of seniority, the Board shall select which position the displaced employee will be assigned.
- (F) Currently on the seniority list the certifications/licensures of 1-8 and K-8 are listed separately. For purposes of bumping, those 2 areas will be combined. The distinction of the K-8 certification/licensure will be differentiated only if there is a kindergarten assignment.
- (G) For purposes of bumping and to prevent part time employees from being a protected class, part time employees who are not eligible for seniority and are currently not on the seniority list, shall be placed on the seniority list with their part time experience being prorated. Part time positions, if retained by the Board, will be available to be bumped into by displaced employees but no full time displaced employee has to accept a part time position. Failure to accept a part time position does not remove a displaced employee from the recall list.

SECTION 24.6 - A recall list of suspended employees will be maintained by seniority according to certification types on file in the Board's office. When there is a vacant position or new job opening to be filled, as determined by the Board within its sole and exclusive discretion, suspended employees who were certified or who have become certified to perform the work in that position will be recalled on the basis of performance. Seniority will not be the basis for the decision except where teachers' performance is comparable. Recall rights will be only to those types of certifications for which the suspended employee is duly certified as shown by the seniority lists or as added while on suspension established under the procedures set forth in this Article. Notification of recall will be given the employee by certified mail at the last address furnished to the Board or in person or hand delivery, except in those cases of emergency when a telephone call will be necessary; for example, in late August, after the opening of school, or in the event of an unexpected sudden vacancy.

SECTION 24.7 - A suspended employee who fails to respond to a written recall notice within fifteen (15) calendar days after sending the notice of recall or within twenty-four (24) hours after receipt by the employee of a telephonic notice of recall will be deemed to have refused the position offered in the recall notice.

SECTION 24.8 - A suspended employee's name will remain on a recall list or lists for thirty (30) months after the effective date of a suspension unless the employee: (a) waives seniority recall rights in writing; (b) retires, resigns or otherwise terminates employment; (c) fails to accept recall to a position in the certification type held immediately prior to suspension or to a position in another certification type for which the employee is certified; (d) after acceptance of recall, fails to report to work on the date specified in the recall notice, unless the employee is disabled and so notifies the Superintendent or designee. A recalled employee who has secured employment elsewhere will be allowed a reasonable amount of time before being required to report to work provided the employee secures written agreement to that amount of time from the Superintendent or designee. After an employee has been suspended for thirty (30) months his/her name will be removed from all recall lists and he/she shall not be eligible for recall and he/she shall be terminated from employment and all his/her employment contracts shall be terminated and he/she shall have no rights under this Agreement.

Any long term/short term substitute certificated employee who acquires additional certification/licensure while on the RIF list, may add that certification per Section 24.6. They will be recalled to any vacant position they are/become certified to hold.

Any displaced employee who accepts a vacant position of Replacement Teacher while on the RIF recall list will retain their position on the recall list. Any displaced employee who accepts a position of Replacement Teacher which is held by an employee who is on an approved leave will retain their position on the recall list. A Replacement Teacher is used in a vacant position that becomes available after August 10 per Section 14.2. Any vacant position held by a Replacement Teacher is to be posted the following June.

No position may be offered to a new employee unless the recall list has been exhausted of teachers certificated/licensed for a position.

SECTION 24.9 - An employee who is suspended will not be eligible for leaves of absence. The effective date of a suspension is the last day of work for the Board. A suspended employee may continue life, dental and medical insurance benefits by paying the entire amount of all contributions and cost necessary to pay for such benefits and this option may be exercised only so long as payments are received by the date specified and in the manner specified by the Board Treasurer, not to exceed a period of thirty (30) consecutive months from the date of the employee's suspension, provided the employee is still on the recall list.

SECTION 24.10 - After recall from suspension, an employee will receive only accumulated sick leave accrued up to the date of suspension. Upon recall from suspension, an employee will be placed on the salary schedule in accordance with years of service and training, but a recalled employee will not receive salary increment credit for the time while on suspension. Suspension time will not count toward any requirements for individual employee contract eligibility purposes

or for years of continuous service for seniority purposes under this Article or any other purposes under this Agreement, but suspension time will not be considered a termination of employment except as otherwise provided for herein.

ARTICLE 25 - WORK DAY

SECTION 25.1 - The length of the normal work day (the amount of time between building check-in and building check-out) shall be seven (7) hours and forty-five (45) minutes for all full-time employees which shall include thirty (30) minutes for lunch. Specific check-in and checkout times may vary from building to building and within each building.

SECTION 25.2 - During assigned duty times, no employee shall leave his/her employee's school premises before the end of the work day without the specific authorization of the employee's building principal or his/her designee. SECTION 26.5 - The employee's signature or initials on a personnel file document does not indicate agreement with the contents of the material, but indicates only that the materials have been inspected by the employee. All employees have the opportunity to reply to any critical material in their personnel file by a written statement, which will be attached to the file copy of the critical material.

SECTION 26.6 - An employee may submit letters of merit, which shall be placed in his/her personnel file.

SECTION 26.7 - Any materials, except all evaluation or appraisal materials, placed in an employee's personnel file may be grieved on the basis of accuracy, irrelevance, untimeliness or incompleteness of such material. Bargaining unit members may choose to take leave from summer school on an unpaid basis. In recognition of the fact that a "day" of teaching Summer School is shorter in length than a regular school year teaching "day", the Board and Association agree that one-half (1/2) of a day will be subtracted from a bargaining unit member's sick leave accumulation for a full sick day taken during Summer School.

Association agrees that the Board assumes no other or further liability to any person or entity under this Section 40.13, and that the definition of current and/or deferred income subject to taxation is determined solely by the IRS and Ohio taxing authorities. The Board shall have the right to immediately and unilaterally discontinue all of its obligations under this Section 40.13, if so ordered by the STRS and/or the IRS or Ohio taxing authorities, notwithstanding any provision contained in this Agreement to the contrary. Rule 77-464 and 81-36 of the IRS and Opinion 82-097 of the Ohio Attorney General and rules of the STRS, and such rules as the aforementioned agencies, including Ohio taxing authorities, may subsequently issue are applicable to the Board notwithstanding any provision set forth in this Section 40.13. The "pick-up" amount shall be included in the employee's annual base salary for the purpose of computing weekly rates of pay, daily rates of pay, hourly rates of pay and for determining pay or salary due to absence or for any other purpose under this Agreement.

SECTION 40.14 - Notwithstanding any provision of the ORC to the contrary, it is agreed that the Board need not mail annual salary notices to any employees covered by this Agreement at any time, but the Board shall issue one (1) base salary notice, to each employee then employed, with the first group of employee paychecks issued after the start of each annual school year, and no other salary notices shall be issued during the remainder of each school year.

SECTION 40.15 - Set forth in Appendix D of this Agreement are the salaries for those individual employee limited supplemental contract positions which the Board may decide to fill during the term of this Agreement. Employees shall move with each step being paid for each year of experience in the limited supplemental contract position. The base salary rate shall increase by 2.0% for the 2024-25 contract year, 2.0% for the 2025-26 contract year, and 2.0% for the 2026-27 contract year.

SECTION 40.16 - For supplemental duties not included in the current Appendix D, "Pay Levels for Supplemental Limited Contract Positions" employees may apply for a supplemental contract by following the current procedure to request a new supplemental position from the supplemental committee.

SECTION 41.1 - An employee may elect at the time of retirement from active service in Sycamore Community Schools to be paid in cash, for one-third (1/3) the value of accrued but unused Ohio sick leave day credit, capped at no more than one hundred and fifteen (115) days, provided all the requirements for service retirement, as established by the Ohio Revised Code, have been met. Sick leave severance pay must be taken at the time of retirement or as mandated by the Accumulated Leave Plan outlined in Section 41.5 of this Agreement.

SECTION 41.2 - The per day amount of sick leave credit specified in Section 41.1 above, will be determined by dividing the employee's highest base salary earned while in Sycamore Community Schools by the number of duty days in the individual employee's contract year at time of retirement.

SECTION 41.3- In the case of death of an employee, accrued but unused Ohio sick leave shall be paid to the deceased employee's estate and the amount payable shall be calculated in accordance with the formula in Sections 41.1 and 41.2 above.

Retirement Incentive Plan

SECTION 41.4 - The retirement incentive plan set forth in this Section 41.4 is available to all employees hired by the Board on or before May 1, 2024, who meet the qualifications set forth in Sections A, B, C and either D or E:

- (A) An employee must have continuous uninterrupted service in Sycamore Community Schools of five (5) or more years immediately prior to the employee's retirement date to qualify for the plan.
- (B) The employee must be a member of the State Teachers Retirement System to be eligible to participate in the plan.
- (C) All resignations for retirement purposes under this Section 39.4 must be received by the Superintendent no later than January 1 of any school year or the employee shall forfeit all the benefits of this Section 39.4 for that school year.
- (D) The employee must have thirty (30) years of service credit, and must retire at the conclusion of the school year, and prior to August 1st, upon which the employee first achieves thirty (30) years of service credit.
- (E) Those employees who are at least fifty-five (55) years of age and who have from twenty-five (25) to twenty-nine point ninety-nine (29.99) years of eligible service credit may apply to participate in the retirement incentive plan, provided the employee must retire at the conclusion of the school year, and prior to August 1st. All eligible employees at least fifty-five (55) years of age with the number of years of service credit as stated in the first sentence shall qualify.

For those employees who qualify for the retirement incentive plan, a one (1) time payment shall be made using the following formula:

- (F) Final annual base salary of qualifying retiree at beginning of school year for each of the past five (5) school years.
- (G) Determine the average salary by dividing the total base salaries of the past five (5) school years by five (5).

- (H) Multiply the five (5) year average salary under "G" above, by one and one-half percent (1-1/2%).
- (I) Multiply the result of "H", by the total years of eligible service for retirement purposes but not to exceed thirty (30) years. The result of this computation shall constitute the retirement incentive payment under the retirement incentive plan. The retirement incentive may be deferred until first pay period, January 1, of the following year at the employee's option for those employees not eligible for the accumulated leave plan outlined in Section 41.5 Within two (2) pay periods of the written notification, the Treasurer will prepare separation pay due at that time through the last day of employment.

For purposes of this Section 41.4, eligible service credit shall mean the total amount of service credit earned as a public school employee under the School Employee's Retirement System and/or the STRS, including service outside the public schools that may be purchased by the employee. The employee must assume the responsibility of notifying the Retirement System of the service credit that may be purchased. To be eligible for benefits under this Section 41.4, an employee must count all eligible service credit in meeting either the twenty-five (25) year or the thirty (30) year eligible service credit levels. For the purpose of this Section 41.4 an employee's service shall be deemed uninterrupted notwithstanding authorized paid or unpaid leaves of absence. Service is interrupted when an employee is terminated, resigns or retires for any reason or when an employee is suspended due to a reduction in force.

SECTION 41.5 - The Board will maintain an Accumulated Leave Plan pursuant to Section 403 (b) of the IRS for participation by those teachers who reach the age of fifty-five (55) at the time of their retirement.

ARTICLE 42- INSURANCE

SECTION 42.1 - The Board will provide Health and Dental plans, the EAP (Employee Assistance Plan) and Life Insurance for all eligible employees who regularly work five (5) normal work days per week, as work day is defined in Section 25.1 of this Agreement, and their eligible dependents, except that term life insurance coverage for employees whose base pay is more than twenty-five thousand dollars (\$25,000) per year shall be equivalent to their base pay rounded off to the nearest one thousand dollars (\$1,000). The full benefits are included in the Health Benefits contract that is incorporated into this Agreement by reference.

SECTION 42.2 - The following premium cost schedule shall be in place:

- (A) The Board will contribute eight-five percent (85%) of the premium cost for the PPO Option Plan, TrueCost Option Plan and the HDHP Option Plan (or their replacements). The Board also agrees to pay one month of an employee's PPO, TrueCost or HDHP plan contribution in each plan year with the month being January for employees who participate in the Butler Health Plan health evaluation screening and/or other wellness incentive programs developed by the Health Benefits Committee. The Board will contribute \$2,000 per plan year per IRS guidelines to a Health Savings Account (HSA) for those employees

participating in the Family HDHP plan (or its replacement). The Board will contribute \$1,000 per plan year per IRS guidelines to a Health Savings Account (HSA) for those employees participating in the Single HDHP plan (or its replacement). Fifty percent (50%) of the Board's contribution to the HSA will be made in January and fifty percent (50%) in July of each plan year. Employees who begin participation in the HDHP/HSA option other than at open enrollment will receive a prorated contribution based on the number of months remaining in the plan year. Employees who elect to participate in the HDHP/HSA option will reimburse the Board for the fractional amount of the plan year in which they leave employment or cease participation in the HDHP/HSA plan option.

- (B) The Board shall pay eighty-five percent (85%) of the premium cost of the Premium dental plan option, ninety percent (90%) of the premium cost for the Standard dental insurance plan option, and ninety-five percent (95%) of the premium cost for the Basic dental plan option, selected by the employee and one hundred percent (100%) of the EAP and Life insurance cost.
- (C) The employee shall pay his/her share of the premium cost for such coverage through payroll deduction.

SECTION 42.3 - An employee's eligibility and his dependent's eligibility for the insurance coverage and benefits of this Article shall be governed by the terms, conditions and exclusions contained in the respective insurance policies, and if benefits are denied to any employee, his or her dependents or their heirs, executors or assigns by any insurance carrier, the Board shall not be liable in any way.

SECTION 42.4 - Employees who regularly work fewer than five (5) normal work days per week as normal work day is defined in Section 25.1 of this Agreement, may elect to enroll for Health, Dental and Life Insurance benefits coverage as set forth in Section 42.4. The Board shall pay that portion of the premiums equal to the fractional amount of the five (5) normal work days per week the employee works multiplied by the Board contribution in accordance with Section 42.2 above for Health, multiplied by ninety percent (90%) for Dental insurance, and multiplied by one hundred percent (100%) for Life insurance, and the employee shall pay the remaining portion of the premium through authorized payroll deductions. All other provisions of this Article shall apply to employees covered by this Section.

SECTION 42.5 - None of the insurance benefits coverage is automatic. To be covered an employee must complete and sign appropriate applications and turn them in to the Board's office within thirty (30) days of his/her first day of work, in which case coverage will become effective at the next monthly billing date following his/her first day of work, or wait until the next open enrollment period as determined by the insurance carrier.

SECTION 42.6 - The Board's obligation under this shall cease on the effective date an employee resigns or retires for any reason, or the effective date an employee's individual contract and employment are terminated for any reasons or suspended due to a reduction in force, or the effective date an employee goes on a leave of absence without pay, except employees may continue insurance benefits coverage under those conditions set forth in Section 3313.202 of the ORC by

paying all premiums for such coverage, but such premium payments shall not be required more than thirty (30) days in advance of the insurance carrier's due date.

SECTION 42.7 - At any time during the term of this Agreement the Board has the right to change insurance carriers, provided there is no reduction in the level of benefits under any insurance policy and provided the premium payment remains at or below the amount to be charged by the previous carrier.

SECTION 42.8 - Employees who terminate employment shall have whatever insurance continuation or conversion rights as are set forth in the respective insurance policies.

SECTION 42.9 - The Sycamore Board of Education agrees to pay any regular full-time employee the amount of one thousand dollars (\$1,000) annually if the employee elects not to participate in the health insurance plan offered to employees by the Board. The employee understands that:

- (A) The employee must waive insurance during the annual open enrollment period on the online benefits platform.
- (B) If the employee has lost health insurance coverage as the result of a qualifying event; i.e., loss or reduction of coverage under a spouse's plan, the employee has the ability to enroll in the health insurance coverage offered by the Board.
- (C) If the employee is less than full-time, the payment to the employee will be equal to the fractional amount of their full-time equivalency; i.e., ½ time employees receive \$500.
- (D) Employees who elect not to participate in the health insurance plan and who have already received the \$1,000 amount will reimburse the Board for the fractional amount of the calendar year for which they elect insurance coverage; i.e., 6 months equals 50% = \$500 to be reimbursed through direct payment or payroll deduction.

SECTION 42.10 - During the term of this Agreement, a Health Benefits Committee composed of up to four (4) members appointed by the Association President and up to four (4) members appointed by the Superintendent or designee will review and study new plans of health, dental, and vision insurance coverage for eligible employees and eligible dependents covered by this Agreement and will assist in the education of employees on employee benefits options. The Committee will also develop wellness incentive programs to be utilized in connection with the one-month premium incentive provided for in Section 42.2. SECTION 42.11- Employees will participate in a dependent eligibility audit.

SECTION 42.12 – If an employee's spouse is eligible/entitled to other health insurance coverage through their employer-sponsored medical plan or retiree medical plan to enroll in that coverage, on at least an individual basis as their own "primary" insurance, the spouse will not be eligible for coverage through the Board's health insurance (as primary coverage). A spouse is not required to take health insurance through their employer-

sponsored or retiree medical plan if they are required to pay more than fifty five percent (55%) of the total premium rate for individual/single plan coverage. If an employee whose spouse has eligible health insurance coverage elsewhere nonetheless elects family health insurance coverage with the Board, the Board's health insurance will be the secondary coverage for the spouse.

ARTICLE 43- TUITION REIMBURSEMENT

SECTION 43.1- The Board shall annually establish an account of one hundred twenty thousand (\$120,000) per year. The account shall be used to reimburse employees at the following rates:

SECTION 43.2- Employees wishing to use funds in the tuition account must obtain a purchase order from the Treasurer's Office. To qualify the employees must submit proof of registration within ten (10) working days of the purchase order date. The purchase order will guarantee that the funds from the appropriate fiscal year will be available for reimbursement upon completion of course work, even if the work is completed in the following fiscal year.
