Leatrice Sanders – Principal
Jennifer Hughes – Dean of Instruction
Elizabeth Davis – Assistant Principal
Ronald Davidson – Assistant Principal
Mary Taylan – Alpha Counselor
Chelsie Billings – Alpha Counselor
Tiffany Esparza – Student Support Counselor

2026-2027 ID Badge Policy

Students are required to visibly wear a school-issued photo identification badge (ID) badge during the school day and while on campus at all times, as this is part of the dress code. *Since the required ID badge is part of a student's dress code, discipline consequences for dress code violations will be assigned to students who repeatedly do not wear their ID badge.*

The photo ID badge must be visible and worn on the student's physical person, in a location above the waist, not on a bag or backpack. The student's photo on the ID badge must be visible and not altered or covered in any way. Students may wear ID badges with a lanyard or clipped to their shirt or pants. As a safety measure, this allows us to be able to identify who is on our campus. Additionally, it also helps students to prepare for college and/or for jobs that require ID badges.

The first ID badge will be provided to students, along with a lanyard, free of charge. Thereafter, when students do not have their ID badge, they will be provided with two temporary ID badge wristbands in the Fall Semester and two temporary ID badge wristbands in the Spring Semester. After the second temporary ID badge, each time students do not have their ID badge, they will be required to purchase a new ID badge for \$7 (lanyard included), to cover the cost of the materials needed to make ID badges. Lanyard or ID badge cover purchases only may be purchased separately for \$2 each.

ID badge fees are added to students' Skyward account. Parents may pay student fines and fees online in Skyward Family Access, underneath the Fee Management tab or students may bring cash or checks to school to pay the school bookkeeper. Outstanding student fees must be paid before the school year ends.

Parents, we encourage you to log in and regularly check your child's Skyward account to monitor fees being added to the student's account. Click the following link for directions to pay Skyward fees: [Directions to Pay Student Fees](#).

Thank you,

Victory Lakes Intermediate
