Dear Hiram High School Families,

Welcome to a new school year at Hiram High School! We are excited to begin another year of learning, growth, and achievement alongside our students and families. At Hiram High, we remain committed to providing a safe, supportive, and challenging environment where every student is empowered to reach their fullest potential. This year, we will continue to focus on academic excellence, student engagement, and building strong relationships between school and home.

To ensure a successful start, please take a moment to review the following:

- **Attendance Matters:** Daily attendance is critical to student success. Please help our students arrive on time and ready to learn each day.
- **Communication is Key:** Stay connected through our school website, social media platforms, and your student's teachers. Don't hesitate to reach out with questions or concerns.
- **Expectations for Success:** We encourage all students to be responsible, respectful, and ready to learn. Your support in reinforcing these expectations at home is invaluable.
- **Academic Support:** Tutoring, Hornet Time, teacher conference hours, and additional resources are available to help students thrive. We are here to support every learner.

We also invite you to stay engaged throughout the year by attending school events, parent meetings, and supporting your students' involvement in extracurricular activities. For more information, please continue to visit our school website, follow us on social media at:
