

Instructional Technology Plan - 2026-2029 Instructional Technology Plan**I. District LEA Information**

Page Last Modified: 03/30/2026

I. District LEA Information

1. **What is the name of the district administrator responsible for entering the Instructional Technology Plan data?**

Nicole Culella, EdD

2. **What is the title of the district administrator responsible for entering the Instructional Technology Plan data?**

Other

- 2B. **If 'Other' was selected in Question 2 above, please identify the title.**

Executive Director for STEM and Instructional Technology

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.

Instructional Technology Plan - 2026-2029 Instructional Technology Plan**II. Strategic Technology Planning**

Page Last Modified: 03/31/2026

II. Strategic Technology Planning**1. What is the overall district mission?**

The incorporation of technology in Seaford UFSD is viewed through the District's mission and Board of Education goals. The District's mission and Board of Education goals are inherent in all decisions made about the strategic technology planning.

District Mission

The Seaford Union Free School District's purpose is to provide our students with an innovative educational program that will empower students to develop their academic and social skills while becoming learners and leaders who create a better present and future in a democratic society. The Board of Education goals for the 25-26 school year are as follows:

Goal #1: Teaching and Learning

Provide a dynamic, inclusive, and innovative learning environment that promotes and supports the academic growth of Seaford Scholars so that they may realize their full potential while becoming responsible and productive citizens.

Goal #2: Social Emotional Learning and Safety

Promote a safe, secure, and nurturing environment of belonging that proactively supports the physical, social, and emotional needs of all students.

Goal #3: Financial

Create a fiscally responsible and operationally efficient budget that maintains and enhances the integrity of all programs.

Goal #4: Communication

Maintain and enhance communication systems that ensure the open flow, transparency, and accessibility of information with all stakeholders.

Goal #5: Operations and Facilities

Create and maintain a modern and competitive campus to enhance opportunities and foster growth for all Seaford Scholars.

2. What is the vision statement that guides instructional technology use in the district?

The Board of Education's vision for the district is to provide the opportunity for faculty, staff, students, parents and community to develop, through communication and involvement, a sense of ownership, spirit and pride in the schools. The educational process will be designed to address individual differences while focusing on the belief that all students can learn and succeed.

Achievement of students and teachers will be assessed continually to monitor progress. Students and teachers will be held accountable to high standards, not only academically, but in conduct as well. Students will be nurtured with a sense of cultural awareness, including an appreciation of the arts, of tolerance, and of diversity and to be respectful and responsible citizens of a global community.

Using the SAMR model, educators can achieve this vision using our 1:1 devices in a myriad of ways, allowing students to demonstrate their learning.

3. At the start of the 2026-27 school year, will the district provide a dedicated mobile device for every student in all grades?

Yes

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.

Instructional Technology Plan - 2026-2029 Instructional Technology PlanIII. Goal Attainment

Page Last Modified: 03/31/2026

1. Digital Content – The District uses standards-based, accessible digital content that supports all curricula for all learners.
The district has met this goal:
Significantly
2. Digital Use – The District's learners, teachers, and administrators are proficient in the use of technology for learning.
The district has met this goal:
Fully
3. Digital Capacity and Access – The District's technology infrastructure supports learning and teaching in all of the District's environments.
The district has met this goal:
Fully
4. Leadership – The District Instructional Technology Plan is in alignment with the Statewide Learning Technology Plan vision.
The district has met this goal:
Fully
5. Accountability – District-level information is posted on the District website, is easy to access, and is easily understood. Information provided includes the results achieved by the District in their efforts to enable students to build knowledge, master skills, and grasp opportunities for a better life.
The district has met this goal:
Fully

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.

Instructional Technology Plan - 2026-2029 Instructional Technology Plan

IV. Action Plan - Goal 1

Page Last Modified: 03/31/2026

1. In 1 – 2 sentences provide an instructional technology goal for your district.

Our first goal is to sustain a rich and dynamic technological environment. In order to achieve this goal, we will need to continuously purchase upgraded iPADS, laptops and desktops to replace obsolete and end of life devices.

2. **Choose the topic that best aligns to your instructional technology goal.**

End User Computing Devices (ex. iPads, Chromebooks, etc.)

3. **Target Student Population(s). Check all that apply.**

- | | |
|--|--|
| ☒ All students | ☐ Economically disadvantaged students |
| ☐ Early Learning (Pre-K -3) | ☐ Students between the ages of 18-21 |
| ☐ Elementary/intermediate | ☐ Students who are targeted for dropout prevention or credit recovery programs |
| ☐ Middle School | ☐ Students who do not have adequate access to computing devices and/or high-speed internet at their places of residence |
| ☐ High School | ☐ Students who do not have internet access at their place of residence |
| ☐ Students with Disabilities | ☐ Students in foster care |
| ☐ English Language Learners | ☐ Students in juvenile justice system settings |
| ☐ Students who are migratory or seasonal farmworkers, or children of such workers | ☐ Vulnerable populations/vulnerable students |
| ☐ Students experiencing homelessness and/or housing insecurity | ☐ Other (please identify in Question 3a, below) |

4. **Additional Target Population(s). Check all that apply.**

- ☒ Teachers/Teacher Aides
- ☒ Administrators
- ☒ Parents/Guardians/Families/School Community
- ☒ Technology Integration Specialists
- ☐ Other

5. **Estimated cost of this goal/priority over the three-year plan? Round to the nearest thousand if exact figures are not yet known.**

1,240,000.00

6. **What is the potential funding source(s) and/or purchasing mechanism(s) for this expenditure over all three years of the plan? Can check multiple options.**

- | | |
|---|--|
| ☒ BOCES Co-Ser purchase | ☐ Instructional Aid Materials |
| ☐ Capital Project | ☐ Instructional Resources Aid |
| ☐ District Public Bond | ☐ Smart Schools Bond Act |
| ☒ District Operating Budget | ☐ Technology Reserve Fund |
| ☐ E-Rate | ☐ Title Funds |
| ☐ Grants | ☐ Other |

Instructional Technology Plan - 2026-2029 Instructional Technology PlanIV. Action Plan - Goal 1

Instructional Technology Plan - 2026-2029 Instructional Technology Plan

IV. Action Plan - Goal 2

Page Last Modified: 03/31/2026

1. In 1 – 2 sentences provide a second instructional technology goal for your district.

To maintain a robust infrastructure to support instruction, we will continue to constantly monitor and adjust our network and infrastructure to support the ever-changing updates and needs of an innovative, technology supported learning environment. Such network and infrastructure includes, but is not limited to, wireless access points, network switches, power supplies, cables, support licenses, connectors and uninterruptable power supplies.

2. **Choose the topic that best aligns to your instructional technology goal.**

Network and Infrastructure

3. **Target Student Population(s). Check all that apply.**

Instructional Technology Plan - 2026-2029 Instructional Technology Plan

IV. Action Plan - Goal 3

Page Last Modified: 03/31/2026

1. In 1-2 sentences provide a third instructional technology goal for your district.

Our third instructional technology goal is to integrate learning platforms with data analytics in order to guide instruction and increase student achievement.

2. Choose the topic that best aligns to your instructional technology goal.

Instructional and/or Administrative Software

3. Target Student Population(s). Check all that apply.

- | | |
|--|--|
| ☒ All students | ☐ Economically disadvantaged students |
| ☐ Early Learning (Pre-K -3) | ☐ Students between the ages of 18-21 |
| ☐ Elementary/intermediate | ☐ Students who are targeted for dropout prevention or credit recovery programs |
| ☐ Middle School | ☐ Students who do not have adequate access to computing devices and/or high-speed internet at their places of residence |

| ☐ Students who are migratory or seasonal farmworkers, or children of such workers | ☐ Vulnerable populations/vulnerable students |
| ☐ Students experiencing homelessness and/or housing insecurity | ☐ Other (please identify in Question 3a, below) |

4. Additional Target Population(s). Check all that apply.

- ☒ Teachers/Teacher Aides
- ☒ Administrators
- ☒ Parents/Guardians/Families/School Community
- ☒ Technology Integration Specialists
- ☐ Other

5. Estimated cost of this goal/priority over the three-year plan? Round to the nearest thousand if exact figures are not yet known.

90,000.00

6. What is the potential funding source(s) and/or purchasing mechanism(s) for this expenditure over all three years of the plan? Can check multiple options.

- | | |
|---|--|
| ☒ BOCES Co-Ser purchase | ☐ Instructional Aid Materials |
| ☐ Capital Project | ☐ Instructional Resources Aid |
| ☐ District Public Bond | ☐ Smart Schools Bond Act |
| ☒ District Operating Budget | ☐ Technology Reserve Fund |
| ☐ E-Rate | ☐ Title Funds |
| ☐ Grants | ☐ Other |

Instructional Technology Plan - 2026-2029 Instructional Technology PlanIV. Action Plan - Goal 3

Page Last Modified: 03/31/2026

7. Optional: If you would like to add an action plan for this goal list the action steps below.

	Action Step	Action Step - Description
Action Step 1	(No Response)	(No Response)
Action Step 2	(No Response)	(No Response)
Action Step 3	(No Response)	(No Response)
Action Step 4	(No Response)	(No Response)
Action Step 5	(No Response)	(No Response)
Action Step 6	(No Response)	(No Response)
Action Step 7	(No Response)	(No Response)
Action Step 8	(No Response)	(No Response)

8. Would you like to list a fourth goal?

No

For help with completing the plan, please visit ITP Resources for Districts on our website, contact your district's RIC, or email edtech@nysed.gov.

Instructional Technology Plan - 2026-2029 Instructional Technology Plan**V. NYSED Initiatives Alignment**

Page Last Modified: 03/31/2026

V. NYSED Initiatives Alignment

1. How will the district's use of instructional technology support a comprehensive and sustained effort to improve student performance and academic standards, while also addressing the need to provide equitable learning opportunities "everywhere, all the time" (National Technology Plan)?

Seaford UFSD is preparing all students for the ever-changing, technology embedded careers of tomorrow. All teachers at Seaford Schools incorporate technology platforms within their daily instructional practices. The district's instructional technology plan is ingrained into the everyday instruction presented to students. The district has been completely 1:1 since November of 2020 and continues to make significant investments into the infrastructure, devices and training to support our instructional programs. Aligned to the National Technology Plan, Seaford utilizes educational technology platforms to design learning experiences that will improve student access to educational opportunities and student outcomes.

Technology is integrated in daily instruction using the following:

- Bluetooth and wireless connections to various peripherals
- Use of Microsoft 365 for all students as a main platform for instruction
- Use of video conference apps such as Teams
- Use of online assessment tools such as IXL, NWEA, and Inner Orbit

Teachers use the technology in the following ways:

- Creation of lessons that are stored electronically for students to access at anytime utilizing Microsoft 365 tools
- Teacher use of virtual laboratory assignments
- Teachers have the ability to share assignments, notes, assessments, and other educational materials with students and families
- Teachers can monitor student device usage via classroom management software

Students use the technology resources available to them for day to day instructional tasks such as writing papers, completing assignments, taking assessments, creating presentations, etc. They have also used the devices to personalize their note taking, organize their work, create a planner, interact virtually with their peers and instructors, present at science fairs and other academic competitions, etc.

The use of technology at Seaford UFSD has allowed teachers and students to instruct and learn in multiple formats, in some cases, providing individualized instruction and multiple means of assessing learning.

2. **At the start of the 2026-27 school year, will the district offer full-time virtual instruction to any students? (Select all that apply)**

- ☐ Yes. Our district operates a full-time virtual instruction program.
- ☐ Yes. One or more of our students will attend a program operated by a BOCES or another public school district.
- ☒ None of our students will participate in a full-time virtual instruction program.
- ☐ Other

3. If the district files or has filed a Smart Schools Investment Plan (SSIP) to apply for Smart Schools Bond Act funds, all responses in this survey align with the district's response to any related question(s) in the SSIP.

The district does not have an active SSIP.

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.

VI. Administrative Management Plan

Page Last Modified: 03/31/2026

VI. Administrative Management Plan

1. Staff Plan

Provide the Full-Time Equivalent (FTE) count, as of plan submission date, of all staff whose primary responsibility is delivering technology integration training and support and/or technical support.

	District Employed Staff (FTE)	Staff Contracted Through Vendor or BOCES (FTE)
District Technology Leadership	1.00	0.00
Instructional Support	0.00	0.00
Technical Support	1.00	4.00
Totals:	2.00	4.00

2. Has the school district provided for the loan of instructional computer hardware to students legally attending nonpublic schools pursuant to Education Law, section 754?

Yes

3. Districts are required to post an Instructional Technology Plan on their website. Please provide the URL link as evidence of this requirement.

<https://www.seaford.k12.ny.us/departments/instructional-technology/technology-plans>

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.

Instructional Technology Plan - 2026-2029 Instructional Technology Plan**VII. Established Educational Technology Programs**

Page Last Modified: 03/31/2026

VII. Established EdTech Programs

1. Please choose one or more topics that reflect an innovative educational technology program that has been implemented with and for students for at least two years at a building or district level. Use "Other" to share a topic that is not on the list.
