Welcome Back
2026-2027

Dear Parker School District Families,

The start of a new school year brings renewed energy, fresh opportunities, and endless possibilities. Together, we will continue building on the strong traditions of excellence that define the Parker School District while embracing opportunities for growth and innovation. Thank you for entrusting us with your children each day. Your partnership is essential to student success, and we look forward to building strong relationships with you throughout the year.

We want to thank our dedicated teachers, support staff, administrators, and school board for the countless hours they have devoted to preparing for the arrival of students. Their passion and commitment to excellence are what makes our school a special place.

To our students, welcome back! Whether you are entering school for the very first time, beginning your senior year, or somewhere in between, know that we are excited to see you and are committed to helping you learn, grow, and succeed. We encourage each of you to embrace new challenges, support one another, and make this school year your best yet.

JK-6th Grade Class Lists

Classroom teacher assignments for the 2026-2027 school year will be communicated via email on August 3, 2026.

We understand that families sometimes have requests for class placements. Please note that class lists are based on several factors to ensure a balanced and supportive learning environment. Requests for specific teachers or class placements will not be fulfilled, but we are confident that all students will thrive in their assigned classrooms.

Let's Make it a Great Year!

Thank you for your support as we work together to provide the best possible educational experience for your child. Our shared commitment to providing every student with a safe, supportive, and engaging learning environment will remain at the center of every decision we make. We are excited for the 2026-2027 school year and look forward to a wonderful partnership in helping your child succeed.

All the best,

Dr. Amy Johnson, Superintendent
Mrs. Sara Kettwig, JK-12 Principal
