Quick Links

Important Emergency Resources

Use the links below to quickly access emergency preparedness information, emergency communications, and reporting tools.

Campus Safety

Campus Safety is available 24 hours a day, 7 days a week to assist students, employees, and visitors with emergencies, safety concerns, escorts, room unlocks, and other campus safety services.

Emergency: 911
Campus Safety (24/7): (603) 526-3300
Administrative Office: (603) 526-3675

Sign Up for CSC ALERT

CSC ALERT is Colby-Sawyer College's emergency notification system. Receive emergency alerts, weather-related closures, shelter-in-place instructions, evacuation notices, and other important campus safety information by text message, email, and additional communication channels. Students may also add family members to receive emergency notifications and campus closure announcements.

Link: CSC ALERT Registration

Emergency Guidelines & Procedures

Learn what to do before, during, and after emergencies. Emergency Guidelines provide information on severe weather, fire safety, shelter-in-place procedures, power outages, evacuations, active threats, and other emergency situations.

Submit a Safety Concern

Concerned about a student, employee, or member of the campus community? Use the Community Member of Concern Report Form to share concerns related to health, safety, well-being, or behavior. Reports are reviewed by appropriate College personnel to help connect individuals with support, resources, and intervention when needed.
