CLUBS/EXTRA CURRICULARS

Art Club: Students are taught various techniques and medias to complete individual and collaborative projects for themselves and the school.

Drama Club: Students interested in acting, stage production, make-up, props, ushering, and advertising should all sign-up.

Engineering Club: Engineering Club meets once a week. Students will work in teams on various design projects and have an opportunity to compete in several state competitions offered by the Technology Student Association. All 7th and 8th grade students are welcome to attend.

Jazz Band: Prerequisite: Student must be a current member of concert band. By Audition Only

National Junior Honor Society: Open to 8th graders who meet the criteria taken from the NJHS national standards.

Student Council: Student Council representatives support and lead the school in many ways. Students need to be able to attend required after-school meetings. Student council sponsors school activities, participates in fundraising projects and focuses on community service.

Washington DC Trip – 8th Grade: Hopewell Junior's 8th grade class trip will take place April 30-May 3, 2027. The 3-night trip includes transportation, lodging, guided tours, meals, 3 t-shirts, 1 hoodie and all tips and gratuities. Hopewell Junior staff will be the trip chaperones.

Yearbook- *Kaleidoscope*: Students joining this group assist the sponsor in creating the yearbook. This group forms in the Fall. Students should have a strong interest in taking photographs.

****Other clubs may be considered based on student interest and available supervision.**
