

Good Evening Rialto High School,

This is your Principal, Dr. Sweeney, with our first Sunday phone call of the 26-27 school year.

For those of you that don't know, every Sunday at 6pm I send out a phone call to the Rialto community that gives details of the week ahead. In this phone call I share the large events that are happening that week. They could be schoolwide, academic, athletic, or any other information you need to know. After the phone call is complete, a copy of what was said is placed on the school website under "our school," "Sunday phone scripts," in case you would like to review it later.

Announcements for this week.

The 26-27 school year registration is this week. Seniors, you are on Wednesday July 29th from 8:30 – 11:30 in the morning. Juniors, you are on Wednesday July 29th from 1 – 3:30 in the afternoon. Sophomore, you are on Thursday July 30th from 8:30 – 11:30 in the morning. Make-ups for Sophomores, Juniors, and Seniors are on Thursday July 30th from 1 – 3:30 in the afternoon.

Freshmen, your registration is special. Your registration is on Friday, July 31st and you are assigned by your last name. A- Marrero you are at 8am and Martinez – Z you are at 1pm. Your registration lasts a full three hours. During that time you will be meeting our link leaders, getting a tour of the school, and completing your registration. Parents of freshmen, we will be having a special parent meeting for you. The morning session is at 8:30 am and the afternoon session is at 1:30 pm. It is important that you attend when your student attends.

All students, remember that in order to participate in registration your parent must have completed the online registration. We have been making phone calls to those who have not completed it. If you need help in completing your online registration please contact the Rialto High School office and we will get you help.

All students also remember that you are taking your ID picture at your registration so be ready. Seniors, you must have completed your FSA ID to attend registration and all students know that you can purchase things such as an ASB card, PE clothes, and we will already have a special deal on homecoming dance tickets so come ready.

For my entire community, if this is too much for a phone call, remember that you can see this information on Instagram at @rialtohighknights.

Sports for the week. All athletes must have updated home campus information. This includes updated physicals, insurance cards, and confirmation pages. Fall sports have already begun practicing. If you are interested in playing for a fall sport contact our athletic director, Mr. Holland.

That's all for the week, Rialto. Have a great week and remember, our instructional focus is critical reading and writing across the curriculum and once a knight always a knight.
