

DREW TESTING TIMELINE

Multiple assessments. Clear purpose. *One goal: Student growth.*

Throughout the school year, assessments are intentionally scheduled to measure growth, monitor progress, and inform instruction, planning, and decision-making to ensure college and career readiness.

AT A GLANCE: WHEN EACH TEST IS ADMINISTERED

WHAT EACH ASSESSMENT MEANS

	MAP (AUGUST, DECEMBER, APRIL/MAY)	MAP Growth is a computer-adaptive assessment that measures growth in reading and math over the course of the school year. It helps teachers tailor instruction, monitor progress over time, and identify areas of strength and opportunity.
	BENCHMARKS (OCTOBER – FALL, MARCH – SPRING)	Benchmark Assessments are given twice a year to check students' understanding of grade level content standards. Results help identify learning needs, evaluate the effectiveness of instruction, and inform next steps.
	GA MILESTONES (APRIL – MAY)	The Georgia Milestones Assessment System is the statewide test for grades 3–8 and high school. It measures mastery of Georgia's academic standards in English Language Arts, Math, Science, and Social Studies.
	STAMP (SPANISH 8 TH THROUGH 12 TH ONLY, APRIL)	STAMP (Standards-based Measurement of Proficiency) is a language proficiency assessment that measures Spanish skills in listening, reading, writing, and speaking. It helps us support and celebrate multilingual growth.
	AP TESTING (9 TH – 12 TH ONLY, COURSE SPECIFIC, MAY)	Advanced Placement (AP) Exams are college-level tests given in May. Results can earn college credit and/or placement. Exams are course specific.

**WE ASSESS.
WE LEARN.
WE GROW.**

Thank you for partnering with us to support every student's growth and success.
