

Bosco Bingo

St. John Bosco High School

The Bosco Bingo program is a long-standing fundraiser, and its proceeds are essential in supporting school operations. All freshman families are expected to complete their service hours by working five Saturday evenings at Bingo.

How It Works:

- Freshman families are required to work 5 Bingo sessions to complete their Parent Service Hour requirement.
- Each regular session is a 6-hour shift, running from 2:30pm to 8:30pm (subject to change for special events). It's important that volunteers complete the full 6-hour shift. Leaving early is not allowed for the session to count.
- You must sign in at the beginning of your shift. The Bingo Managers will advise you when you may sign out. We cannot emphasize enough the importance of signing in and out because the credit for Bingo service is verified by these time sheets.
- Families can prearrange a school-approved substitute for their bingo shift if they request it by 8am on the Friday before their scheduled shift. The \$150 cash payment must also be received by 8am in the Bingo Office.
- If you miss your scheduled shift, a \$240.00 fee will be charged. This fee needs to be paid by the following Friday. If not paid, a \$25 late fee will be applied the week following.

Additional Guidelines:

- You have the option to buy out your service hour requirement for an upfront fee of \$1,200. Please call the Accounts Receivables Office at 562-920-1734 ext. 220 or email sjbaccounts@bosco.org for details and due date.
- Be prepared by wearing comfortable shoes and clothing since you will be standing and/or walking throughout the evening.
