

Summary of Changes to Standard T&Cs (August 2026)

Clause Number	Updated Clause	Changes Made
3.1	Declaration of student's health: In order to promote positive health and wellbeing within the College community, staff and parents are expected to declare as soon as the parents are aware, and in any event, no later than 7 days after such knowledge, medical, behavioural and psycho-emotional conditions which may affect the student's capacity to participate in the educational programme or present a greater risk or require individual medical support, and provide a medical report or memo to enable best medical practice is applied and risk of harm or danger is minimised. Failure to provide full disclosure and/or agree to a Medical Action Plan or non-compliance may, at the sole discretion of the College, result in the termination of the student's position at the College and/or barring of that student's participation in school activities and trips.	Updated to require parents to declare any relevant medical, behavioural, or mental health conditions within 7 days of becoming aware of the condition.
3.5	Medical Action Plan, Duty of Care: Where a student has a confirmed medical condition, a mutually agreed Medical Action Plan with stated and agreed interventions may be required. It is a condition of continuing admission to the College that all agreed medical devices and medication required to support the agreed interventions in the Medical Action Plan are provided free of charge to the College and in the quantity stated in the Medical Action Plan or associated policies to College medical staff, whilst the student is in the custody of the College. Where there is concern, the suitability of the student to participate in school activities, including school trips, the relevant Head of Activities, Head of Grade and/or Principal shall make recommendations with input from the Head Nurse and the relevant Head of Campus shall have sole discretion to decide.	Updated to clarify that final decisions regarding a student's suitability to participate in activities or trips rest with the Head of Campus, based on recommendations from school leadership and input from the Head Nurse.
6.	Notice of Withdrawal (Applicable only to students who have commenced studies in the College prior to the relevant withdrawal deadline).	Updated to explicitly state that the section's withdrawal deadlines and rules apply only to currently enrolled

		students who have already started their studies at the College.
8.7	Breach of residency requirements: If parents are found to be in breach of the College Residency Requirements as set out in Clauses 8.1 to 8.6 above, the student may be offered a space in Boarding if available and appropriate, for students in Grades 9 and above, or may be asked to withdraw from the College by the Head of Campus without refund of fees.	Updated the age/grade criteria for a fallback boarding option from Grade 8 to Grade 9 and above, reflecting that Grade 8 boarding is no longer offered.
9.3.2.	written notification of the change of status is received by the Admissions Department on or before the Withdrawal Deadline for Term 1 (for Boarders transferring to day status at the end of Term 3)	Updated the withdrawal notification deadline for boarders transferring to day status to align with the "Withdrawal Deadline for Term 1" rather than the previous April deadline.
