PLEASE HELP YOUR STUDENT UNDERSTAND AND NAVIGATE THE LUNCH LINE

The school has compliance rules we must follow, and we try to limit wasting food. When students come through the lunch line, they may select their main entrée from 4 offered options. Then they have the options of hot or cold vegetables & fruit. The students will be asked about the hot veggies, but they may say no thank you & move on to the cold veggies & fruit. The minimum a student is required to take to be considered a free and compliant meal is the main entrée, and either a fruit or vegetable, but they may choose to take one of each item offered if they like. Milk is included with their meal if they want it.

There is a share table where students can put sealed items they do not want, and other students are welcome to these items.

If your student is unsure, encourage them to ask kitchen staff for clarification.
