

FOR IMMEDIATE RELEASE

July 24, 2026

Barker Central School District Board of Education Launches Superintendent Search

The Barker Central School District Board of Education is pleased to announce that it has officially begun the search for the district's next Superintendent of Schools.

At its July 22, 2026 meeting, the Board of Education appointed Dr. Taweepon Farrar, District Superintendent of Orleans/Niagara BOCES, to serve as the Board's Superintendent Search Consultant. Dr. Farrar will guide the Board through every phase of the search process, including recruitment, candidate screening, interviews, stakeholder engagement, and reference and background checks.

Selecting a superintendent is one of the Board's most important responsibilities. The Board is committed to conducting a comprehensive and transparent search to identify an exceptional leader who will continue to build upon Barker's strengths and serve the needs of our students, staff, families, and community.

In the coming days, the District will launch a dedicated Superintendent Search section on its website. The page will include the superintendent search brochure, application materials, search timeline, stakeholder engagement opportunities, and regular updates throughout the search process.

The Board appreciates the continued support of the Barker school community and looks forward to working together to identify the district's next educational leader.
