MEET YOUR COMMUNITY SCHOOLS COORDINATOR

Hello Wizard Community! My name is Mr. Yang, and I am excited to join the Williams Elementary School community. Before joining Williams, I served as a School Counselor at Fort Miller Middle School for three years, where I had the privilege of working closely with students and families throughout the Fresno High region. That experience provided me with a deep appreciation for our community and a strong understanding of the diverse strengths, needs, and experiences that make it unique.

I'm really looking forward to building strong relationships with our students, staff, and the community. I'm also very passionate about creating opportunities for student growth, involvement, and inclusion.

This year, my focus is to work alongside students, parents, and stakeholders to remove learning barriers while promoting positive academic, social, and emotional outcomes for all students.
