PITTSFORD, NEW YORK

*2026-2027 Schedules and Events*

Dear Parents and Guardians,

Welcome to the 2026–2027 school year!

I hope this calendar serves as a valuable resource for you and your family. Inside, you'll find important dates for district and school events, including Board of Education meetings, open houses, concerts, performances, and more.

For the latest news, announcements, and links to each school's webpage, I encourage you to visit the district website at [www.pittsfordschools.org](http://www.pittsfordschools.org) and our social media pages on Facebook, Instagram and LinkedIn. Our online calendars are updated regularly and provide the most current information, including any schedule changes.

I look forward to another exciting school year and hope you'll join me at many of the events and activities that showcase our students' achievements and bring our community together.

Thank you for your continued partnership and support. Together, we will make the 2026–2027 school year a successful and rewarding one for every student.

Sincerely,

Shana Cutaia  
Superintendent of Schools

## Welcome

Your Pittsford Central School District Board of Education cordially invites you to attend board meetings and to take an active role in the education affairs of our community.

The decisions of your elected Board of Education affect your child, your tax rate, and the well being of your community. The Board urges your participation in such important matters.

There are many ways for you to participate in your schools.

Some of these are:

- Keep informed and interested in your schools.
- Express your views by letter or in person to the Board.
- Elect the best-qualified board members.
- Participate in school and district activities and organizations.

## Structure

The Board of Education is the official policymaking body of the school district. It is comprised of seven district residents who are elected to three-year terms by district voters at the annual district election. This is an unpaid, elected position.

### *Participation in Meetings and Communicating with the Board of Education*

The Board of Education welcomes your comments, concerns, and questions. The meeting agenda provides for one Public Comment period. To participate in public comment, residents should complete the online submission form, located on the district website, prior to a Board meeting. In addition, residents may also write, call or email Board members and district

personnel directly regarding any issue of concern. The Board of Education encourages residents to address their concerns initially with the employee closest to the issue. This process typically brings the swiftest and most satisfying results.

When a resident communicates with an individual Board member, that information is shared with the rest of the Board and the Superintendent of Schools.

### *District Annual Vote on Budget and Election of School Board Members May 18, 2027*

District residents vote on the school budget, propositions and Board of Education candidates at the District's annual election. This year's voting date is set for Tuesday, May 18, 2027.

### **Qualifications for a School District Voter**

Qualified voters must present valid identification in the form of a driver's license, non-driver identification card, utility bill, or voter registration card and be a citizen of the United States, at least eighteen years of age and a resident of the school district for at least thirty days prior to election.

### **Nomination Procedure for Candidates for the Board of Education**

Candidates for the Board of Education are nominated by petition. This petition may be obtained at the administration building from the School District Clerk. It must comply with the current regulations for the total number of signatures and addresses of district residents. Deadline for submission to the school district clerk for the 2027 application is April 19, 2027 at 5pm, Administration Offices, 75 Barker Road – East Wing.

# Pittsford Central Parent Teacher Student Association (PTSA) 2026-2027

To Our Pittsford School Community,

Welcome to the 2026-27 school year! As we begin a new year together, we are grateful for the opportunity to support the partnership between families, educators, and our schools through the Pittsford Central Parent Teacher Student Association (PTSA). Pittsford is a community that consistently shows up for its students, and that shared commitment is one of our district's greatest strengths.

This year, the PTSA will continue to focus on connection and opportunity — creating clear, meaningful ways for families to engage with our schools, share their perspectives, and support the experiences that help each child grow and shine. Our programs and events are student-centered and supported by the practices that keep our work rooted in the PTSA mission of being a powerful voice for all children. At the heart of it all are the amazing volunteers whose time, talents, and generosity make our mission possible.

Because the PTSA is driven entirely by volunteers, there are many ways to get involved. Some families help at events, some contribute ideas and feedback at meetings, and others step into leadership roles. Your contribution matters. However you choose to participate, your presence strengthens our community, and we invite you to join us in the way that fits your life.

Thank you for being part of our school district family! We look forward to a year built on collaboration, gratitude, and service — all in support of our students and in celebration of what makes Pittsford such a special place to learn and thrive.

In partnership,

Nancy Lewis & Carlene Stahlnecker  
*Pittsford Central PTSA President & President-elect*

### **Supporting Youth. Strengthening Families.**

For over 50 years, Pittsford Youth Services has been the respected leader in providing social work services and counseling to the **youth and families** of Pittsford. PYS was founded in 1969 by a group of local churches and was legally incorporated in 1987 as a nonprofit human services agency. We are committed to enhancing the quality of life of our youth, whether they are burdened by academic, social or emotional issues, thereby helping them to become successful, contributing citizens of our community. The support PYS offers to youth and their families directly impacts a child's overall health and likelihood of success in school and in life.

#### **Our Mission**

*PYS proudly provides professional social work services at schools in Pittsford and the surrounding Rochester area. PYS also provides private social services to the community at large at its offices in Pittsford. All PYS social work staff are Licensed Mental Health Providers.*

#### **Our Vision**

*Pittsford Youth Services will seek to build a community where every child feels valued and empowered. To that end, PYS will be the respected leader and provider of professional social work services for Pittsford youth and their families.*

PYS is proud to be the provider of professional social work services for the Pittsford schools at our offices in the Village of Pittsford. All PYS social work staff are New York State Licensed Master's Level Social Workers (LMSW) or Licensed Clinical Social Workers (LCSW).

#### **How to Access Services**

**Eligibility:** Any youth, ages 5-21 and their families, who live, work, attend school or worship in the town of Pittsford.

**Cost:** Services in the schools for youth are free. Additional counseling services are available at our offices on 4 South Main Street in the Phoenix Building in the Village at a cost of \$75 per hour. A sliding scale is utilized in working with families who may have limited resources, and services are never denied based upon inability to pay.

**Contact:** Anyone can make a referral to PYS or request services. Parents may contact their child's teacher, school counselor or the PYS office directly to arrange services. Appointments at the PYS office are available during the day, some evenings and as arranged directly with the social worker.

#### **PYS Services**

- Individual and family counseling
- Home visits
- Referrals to outside agencies
- Social-emotional youth groups
- Grief and loss counseling
- Support of Special Ed. Services
- Parent education programs
- Skill-based groups
- Drug and alcohol education/information programming

# Special Education Services

The Pupil Services Department is committed to a partnership with parents, families and school district personnel in the education of children. Questions about services can be directed to the Assistant Superintendent of Pupil Services at 267-1023.

The mission of the Pupil Services Department is to support diverse learners and to foster an inclusive culture within our schools and community. Through a network of supports, all students are empowered to identify, pursue, and fulfill their personal aspirations as they participate in our global society.

## What is special education?

Special Education services are specially designed individualized or group instruction, special services, or programs to meet the unique needs of students with disabilities. Special Education programs and services are provided for eligible students, ages 3-22, without cost to the parents/guardians.

## What is the process to access services in Pittsford?

If a parent, teacher, or other person knowledgeable about a student believes that the student has a disability, they can contact the Pupil Services Department at 267-1014 or the Student Services Teacher at your child's school. Contact information can be found on the Pupil Services Department page of the District website at [www.pittsfordschools.org](http://www.pittsfordschools.org).

## What is the Committee on Special Education?

The Committee on Special Education (CSE), with parental/guardian consent, arranges for the evaluation of students thought to have a disability. If the student is eligible for special education services or programs, an IEP (Individualized Education Program) is developed. Services are provided and reviewed at least annually.

# Pittsford SEPTA Special Education PTA

## *Who We Are:*

Pittsford Special Education Parent Teacher Association (SEPTA) is a nonprofit organization committed to supporting students who receive special education services within the Pittsford Central School District. SEPTA facilitates collaboration between caregivers and educators to create inclusive and equitable learning environments where all students can thrive—academically, socially, and emotionally.

## *What We Do:*

SEPTA equips caregivers with essential resources, including information on special education services, relevant laws and rights, and available community supports. We assist families in navigating the complexities of the special education system by helping them interpret documentation, prepare for meetings, and advocate effectively for their student's individual needs. SEPTA works to bring attention to special education issues and partners with the school district to drive meaningful improvements. In addition, SEPTA engages students in activities that promote disability awareness and foster a culture of inclusion.

## *Membership:*

We invite caregivers, educators, students, and community members to join SEPTA for the opportunity to connect with others who understand the unique challenges and rewards of special education. Members gain access to all SEPTA-sponsored meetings and events, as well as opportunities to participate in fundraising initiatives that directly support our mission. Each member's voice and experience contribute to our collective goal of supporting students, advancing inclusion, and celebrating diversity. You belong here!

### **Mission**

Founded in 1992, Pittsford Education Foundation (PEF) is a nonprofit foundation dedicated to catalyzing the full potential of all PCSD students by providing access to essential resources, support and innovations that drive educational excellence.

### **Vision**

The Pittsford Education Foundation expands financial resources for the District's most critical strategic educational priorities. Through the generosity and engagement of our community, PEF helps strengthen our schools and prepare students for success in a changing world.

PEF's commitment is inclusive and districtwide—ensuring all PCSD students have equitable access to exceptional educational opportunities.

### **FAQ**

**What is the purpose of the Pittsford Education Foundation?**

The Foundation's purpose is to establish sustainable funding beyond what the government can provide in support of the PCSD children, families, and educators in their pursuit of educational distinction and development.

**Who is involved in directing the Foundation?**

It is managed and directed by a volunteer board of community members representing many aspects of the area's business, cultural and educational leadership.

**Is PCSD administration involved?**

The PCSD Superintendent and Assistant Superintendent for Pupil Services serve as ex-officio members of the Foundation board.

**What type of initiatives does the Foundation fund, and who decides which projects are supported?**

The Foundation partners closely with district leadership to identify current educational priorities and invest in initiatives that enhance student experiences, support faculty and staff, and advance innovation through capital or facility-based projects. While these areas represent a core focus of the Foundation's work, funding decisions remain responsive to the district's evolving needs and immediate priorities.

**Why do we need the Pittsford Education Foundation?**

Public education foundations are increasingly important across the country as districts work to meet growing student needs within the limits of public funding. In Pittsford, the cost of providing an exceptional educational experience continues to rise, while the district's budget remains constrained by State aid formulas, tax cap legislation, and competing priorities.

PEF helps close the gap between what public funding can provide and what our students, educators, and schools need to thrive. Through community and philanthropic support, the Foundation invests in opportunities that enhance the student experience, support faculty and staff, and help ensure Pittsford schools remain a model of excellence.

# Feeding Our Students Healthy Meals

The Food Services Department looks forward to serving our students nutritious and delicious meals again this upcoming school year. With a wide variety of options, including seasonal fruits and vegetables, the district ensures students can have a healthy meal at no cost.

## What's New

- **Re-entering the National School Lunch Program and offering Universal Free Meals at the secondary level this September, in addition to elementary.** This allows all students one breakfast and one lunch per day at no charge.
- **New online Free and Reduced Meal Application.** Although student meals are offered at no cost, families are still encouraged to complete the Free and Reduced Meal Application. Eligibility helps our district maximize federal meal reimbursement and may also connect families to additional benefits, including reduced fees for school programs, athletics, transportation, testing, and summer SNAP grocery benefits.
- **Updating and restructuring serving lines at the secondary schools.** This is to reduce lines while adding in self service options that will include fresh fruit and salad bars.
- **Updated seconds policy.** Students may receive one reimbursable meal at no cost when they go through the line. Students who wish to purchase a second meal must see the cashier to purchase a second's token. Second meals are not included under the Universal Free Meals program.
- **Why would you need to add funds to your student's account?** Second meals, snacks and beverages can all be purchased. No accounts can go negative.

## Payment Options

### MySchoolBucks.com

This system allows you to place money on your student's account from your credit card, debit or checking account.

- A service charge, which does not go to the district, is administered per transaction. To avoid any service charges, please send a check or cash as directed below.
- The Food Services Department encourages parents and guardians to add funds in larger increments to avoid multiple service charges from MySchoolBucks.
- It is also possible to set up a payment schedule where funds can be automatically added when a certain balance is reached, or on a specific day.

### Personal Checks

- Please make checks payable to Pittsford Food Service. You can send cash or checks in person or by mail to: Pittsford Food Service Department, 100 Mendon Center Road, Pittsford, NY 14534 OR send monies to school with your child to give to the cafeteria staff.
- A minimum amount required for a check deposit is \$10.
- A \$15 fee will be assessed for all refunds and any checks returned for insufficient funds.

## Interactive Menus

We've made it easier for you to view your child's school menus. Mealviewer now allows you to see what's being served daily, view nutritional information, see specific allergens, rank meals, get notified when favorites are being served and more! Visit our website for more information.

# Let's Do Lunch!

## Sides include

- Fruit: fresh, canned and local when possible.
- Vegetables: fresh, assorted chilled and hot.
- Fat-free milk (white or chocolate).
- Assorted 100% juices.

*\*\*Under the Universal Free Lunch Program, students must take at least three of the five meal components (grain, meat/meat alternate, fruit, vegetable, fluid/milk) one of which being a fruit or vegetable.*

## Meal Pricing

### First Breakfast and First Lunch

No cost under the Universal Free Meal Program

### Second Breakfast

\$2.75

# Habits of the Mind

*“Habits of the Mind,” developed by Dr. Arthur L. Costa and Dr. Bena Kallick, has become an essential part of our district’s vision for teaching and learning. Habits of the Mind represent a set of thinking dispositions that guide individuals when they encounter problems, dilemmas, or uncertainties. They are skills and attitudes that can be nurtured over time through intentional practice and reflection. Rather than focusing solely on correct answers, students are encouraged to reflect on their thinking processes: How did you approach this problem? What strategies did you use when you got stuck? What might you try differently next time? These questions shift the focus from product to process, helping students become more intentional about their thinking. They are universal strategies that help develop the ability to adapt, think critically, and approach uncertainty with confidence.*

Dear Parents/Guardians:

Our school community is enriched by the many differences that make us unique, including culture, gender, religion, generation, and background. As our community continues to grow in diversity, so does the importance of fostering a school environment that is respectful, inclusive, and welcoming to all.

At Pittsford Schools, we are committed to promoting inclusivity through our policies and practices. We recognize the importance of religious freedom and believe every student deserves to be supported and respected in their beliefs and observances.

Our curriculum reflects the role that religion plays in shaping cultures, institutions, and individual lives. As such, students may learn about world religions and their customs in appropriate instructional contexts. Religious symbols may be included in lessons when used to support understanding of cultural or historical content.

Families have the right to excuse their children from school for religious observances. These absences are considered excused, and students will not be penalized. They will be given fair opportunities to make up any missed work. We encourage parents to notify the school in advance when a religious observance will result in an absence so we can support the student's academic progress.

If you have any questions or need assistance, please don't hesitate to contact your school principal.

Thank you for your continued partnership in creating a respectful and supportive environment for every student.

Sincerely,

Shana Cutaia  
Superintendent of Schools

As part of the Pittsford Central School District's Religious Observance policy, this cultural and religious holiday sampling has been included in this District calendar. The purpose of noting these days is to assist staff, students and community members in their awareness and understanding of the various religions in the Pittsford community.

Please note that: 1) all Jewish and Baha'i holidays begin at sundown the previous day; 2) Hindu and Jain holidays are calculated on a lunar calendar and, therefore, are observed at different times in different regions of the country; 3) some religions have different sects which may celebrate religious holidays on different dates, for varying lengths of times.

We have worked hard to ensure as accurate a representation of the religions of our community as possible. This calendar is not intended to include all religious holidays. Sources for the descriptions were local community members, the Pittsford Religious Observance Advisory Council and [www.interfaithcalendar.org](http://www.interfaithcalendar.org).

# Emergency Closings and Snow Day Information

## Emergency Closings

We often receive questions from parents and students regarding the process used in making determinations about school closings. Schools are dismissed early or closed due to inclement weather, or other emergencies, only when absolutely necessary for the safety and welfare of students and staff.

The Pittsford Central School District resides in a snow-belt and most storms can be managed effectively. For this reason, please assume school will be open and encourage students to be prepared for their next day's studies.

We understand that a decision to open or close in bad weather will have an impact on our families. We consider many factors while making these decisions, including:

- Current and projected weather conditions.
- Road patrols by the town and district that report the condition of local roads, sidewalks and parking lots, taking into account snow and ice, as well as other hazards such as downed trees or power lines. These reports also provide an assessment of the progress of snow clearing.
- The district also communicates with local districts about the road conditions in surrounding areas.
- Temperature and wind chill factors. Monroe County Health Department recommends that we consider closing schools if the wind chill is expected to fall between -25 and -40 degrees.

When it is necessary to close or dismiss schools for any emergency, including inclement weather, announcements are made on local radio and television broadcasts by 6:30 a.m. The information is communicated to parents through the district's mass notification system and the district's website at [www.pittsfordschools.org](http://www.pittsfordschools.org).

When school is closed for the day or dismissed early, all evening school activities will be cancelled, including athletic practices and contests, club meetings, continuing education classes, and any other student after-school activities. The only exception would be a major district-wide event, such as a concert involving hundreds of students, which could be held if the weather clears sufficiently.

## Provisions made by the school district during early dismissal due to an emergency include:

1. Decision for the release of students to walk home or for intermediate-level students to walk with primary students will be made by the school principal.
2. Schools will be supervised by staff until all students have departed school grounds.
3. The district is equipped to provide for students in the event it is necessary to keep them in school for several hours or overnight. This information will be reported on radio, television, web site, and through the district's mass notification system.

## Guidelines for parents in the event of an early dismissal:

1. Special circumstances in the home (working parents, baby-sitter directions, etc.) should be reported in writing to the classroom teacher at the beginning of the school year. Children should know where to go in the neighborhood in the event no one is at their house.
2. Please do NOT call the schools. Phone lines must remain open for emergency calls only.
3. Do NOT drive to the school during inclement weather or a school-closing emergency. School driveways must be kept clear to allow access by school buses and emergency vehicles.
4. Students normally using school bus transportation will be released to their parents only after being properly signed out at the school office. Children will NOT be allowed to leave with other persons without a written release from parents.

Dear Students,

I know you work hard every day learning, growing, and giving your best. Sometimes you need a break, and every now and then, Mother Nature rewards that hard work with something extra special: a snow day!

When a storm is brewing, safety is always our top priority, and our transportation, facilities, and administrative teams carefully monitor road conditions, weather forecasts, and temperatures to help determine if schools should be closed.

Between you and me, though, I think there's a little magic in making a snow day happen, and following some of these time-honored traditions may just help!

- Sleep with a spoon under your pillow
- Wear your pajamas inside out and backwards
- Place a white crayon on the windowsill
- Yell "snow day" into the freezer
- Wear a colored sock on one foot
- Do a silly "snow dance" before bed

Most importantly, if you think a snow day may be in the forecast, be sure to get all your homework done ahead of time so you can fully enjoy time in the snow or staying cozy inside with your favorite book.

From a fellow snow day enthusiast,

Superintendent Cutaia

# Parent/Guardian Notifications

## Consent for use of Photographs/Videos

Throughout the school year, photographs or videotapes may be taken of students for use in district-produced publications, digital communication, including social media, and videos or by the news media. Please consult the Board of Education policies on the website for more information and instructions for opting your child out.

## Access to Student Records

Parents/guardians of students have the right to inspect and review official educational records directly related to their children. Copies of records may be obtained from the school principal at cost.

If parents believe that any record is incorrect or misleading, they have the right to an opportunity for a hearing to challenge the contents.

As part of the Every Student Succeeds Act, military recruiters and institutions of higher education now have access to secondary student names, addresses and telephone numbers. Student directory information, including name, address, phone number, birthday, etc. are available under the Family Educational Rights and Privacy Act (FERPA). A high school student or parent may ask that the District not release such information without prior written parental consent. If you would like to participate in this option please contact the Student Services office at 267-1023.

## Complaint Resolution Process for Every Student Succeeds Act (ESSA) Funded Programs

The New York State Department of Education (NYSED) has a complaint resolution process for Every Student Succeeds Act (ESSA) Funded Programs.

To access the process outlined by NYSED to file complaints and allow for the timely resolution of such complaints, visit [www.nysed.gov/essa/new-york-state-essa-funded-programs-complaint-procedures](http://www.nysed.gov/essa/new-york-state-essa-funded-programs-complaint-procedures). The procedures meet the requirements of ESSA Section 8304(a)(3)(C) and 34 CFR Part 299, Subpart F - Complaint Procedures.

## Parental Right to Request and Review Information Regarding Teacher Qualifications

As a parent/guardian of a student in the Pittsford Central School District, you have the right to request the following information:

- Whether the teacher has met New York State qualifications and licensing criteria for the grade levels and subject areas he or she teaches
- Whether the teacher is teaching under emergency or other provisional status through which the State qualification or licensing criteria have been waived
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees

Requests for information about the qualifications of your child's teacher(s) can be directed to Shawn Clark, Assistant Superintendent for Human Resources at 267-1008. All requests will be honored in a timely manner.

## Asbestos Compliance

The federal law AHERA, enacted in 1987, requires all school districts to inspect and develop a management plan for asbestos found in their school buildings.

PCSD is in compliance with these requirements. PCSD facilities are inspected every six months to remain in federal and state compliance. These inspections help provide an environment that is clean and free from asbestos hazards. Other activities, which include the training of the maintenance staff to increase their awareness of asbestos and prevent disturbance while making daily surveillance checks, ensure a safer environment for staff and students.

Details of all asbestos activities are described in the district's AHERA management plan, which is available for review in the District Maintenance Building at 100 Mendon Center Road.

## Legislation Regarding Religious Exemptions for Vaccines

New York State legislation (Public Health Law 2164) has eliminated religious, non-medical exemptions from school vaccination requirements, effective June 13, 2019. The revised law specifies that children in a public, private or parochial school, without an approved medical exemption, must receive the required immunizations to attend or remain in school. The District will be required to exclude a child from school if these provisions are not in place.

## Notification of Pesticide Use

All public and non-public schools are required to inform parents/guardians, faculties, and staff of a New York State Education law regarding notification of pesticide use in school buildings and on school grounds during the school year. There are three communication requirements under this law:

1. Notification each fall providing information on the law and its requirements.
2. Notification 48 hours prior to certain pesticide applications at your school building. The following pesticide applications are not subject to prior notification requirements:
  - A school remains unoccupied for a continuous 72 hours following an application
  - Anti-micro products
  - Non-volatile rodenticides in tamper resistant bait stations in areas inaccessible to children
  - Silica gels and other non-volatile ready-to-use paste, foams, or gels in areas inaccessible to children
  - Boric acid and disodium octaborate tetrahydrate
  - The application of EPA designated biopesticides
  - The application of EPA designated exempt materials under 40CFR152.25
  - The use of aerosol products with a directed spray in
  - Containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets
3. Notification in December, April and June, if other applications have occurred.

Currently, Pittsford Central School District does not regularly apply pesticides at any of its buildings or building sites.

Prevention practices have been the preferred method of control. Any pesticide applications that may be made will be in response to a particular need at a building and would be applied by a certified pesticide control technician.

If you have any questions, please call Jeff Beardsley, Director of Operations, Maintenance & Security, at 267-1090.

## Urgent Notification System

For emergency situations, PCSD uses a notification system to quickly communicate important messages to parents and staff.

PCSD families and staff are automatically included in the email notification system; however,

- Remember to update your contact information with your school registrar whenever there is a change.
- Staff should contact the Business Office with updates.

## Newsletters

The *Superintendent's eNewsletter* is a monthly publication designed to highlight immediate initiatives occurring throughout the school year. It is shared with the community via email, the website and links from Twitter and Facebook.

PCSD sends out a *quarterly newsletter* with important information and articles highlighting District-wide news and accomplishments.

A *budget newsletter* is also mailed to residents, which contains important information regarding the budget vote in May.

In addition to District newsletters, each school distributes important information to its parents and students which may include email announcements, a newsletter, and website posts on the school's web page.

- Each family and staff member should receive the District quarterly newsletters, budget newsletter and Superintendent eNewsletters. If you have not received a copy of the Superintendent's eNewsletter and would like to subscribe, visit the Superintendent's web page on the District website at [www.pittsfordschools.org](http://www.pittsfordschools.org), and sign up today!
- For school-based newsletters, please contact your child's school to find out how information is distributed.

The PCSD YouTube channel provides parents, staff, and the community with an inside look at what is happening around the District. Within the YouTube channel, there are videos about school events, special-interest stories, and meetings. Each school has its own playlist, and there is also a District-level playlist.
