WHAT TO BRING

Please consider buying all necessities needed for St. Croix online or bring them with you in person. **Upon new student arrival, we will be making a few trips to Target for school supplies and Dicks Sporting Goods for fall athletic gear.** These events are scheduled on the **Dormitory Portal - Calendar**. We also make weekly trips during the school year to local stores for necessities.

Many students will have items shipped to them including athletic gear, school supplies (calculators), and toiletries when they arrive on campus - or bring them with you as needed. **Amazon** is a great option for all of these items. Please communicate with your dormitory ambassador ahead of arrival for additional information regarding what to bring.

*If you are having items shipped to you please use this address. Do not ship items to St. Croix unless you are going to be present on campus on the day of delivery.
