

2026-2027 MoASBO Network Webinars

CPE Session Listing & Information

CPE INFORMATION

Earn up to three (3) CPE credits for the webinars offered through the 2026-2027 MoASBO Network Webinars.

MoASBO is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.nasbaregistry.org.

COMPLAINT POLICY

For information regarding administrative policies such as refunds, cancellations and complaints, please contact MoASBO at 573-644-7900.

The instructional delivery method for webinars is Group Internet Based (GIB), basic program level. Each session completed earns one credit unless noted otherwise. No prerequisites or advance preparations are necessary for participation unless otherwise indicated. Visit the MoASBO website at www.moasbo.org for more information.

TO RECEIVE CPE CREDIT FOR DESIGNATED SESSIONS, PARTICIPANTS MUST:

Be present for at least 50 minutes of the presentation
Verify attendance by participating in presentation poll questions used as the attendance monitoring mechanism during the session.
Electronic session evaluations will be solicited from participants following sessions. The evaluation will be available for two weeks following session completion.
The above requirements must be met for each session to earn CPE credit and/or documentation for each session.

CPE certificates will be emailed within 60 days of the end of the Network series.

Sessions and schedule are subject to change.

Session Name	Session Description	Learning Objective #1	Learning Objective #2	Learning Objective #3	Session Speakers	Session Start	Session Location	CPE Field of Study
AI Tools & Automations for School Districts	Artificial intelligence is transforming school business operations by helping leaders reclaim time, improve workflows, and make better-informed decisions. In this webinar, explore practical AI tools, automations, and real-world workflows that streamline operations, support financial management, strengthen communication, and enhance organizational effectiveness. Through demonstrations and examples, you'll move from curiosity to confidence while identifying high-impact opportunities for AI in your business office. You'll leave with ideas for creating an AI blueprint that fits your district's culture, priorities, and capacity.	Identify practical use cases for artificial intelligence within school business operations.	Identify high-impact opportunities to implement AI tools and automations that improve efficiency across business office functions.	Evaluate AI workflows and implementation strategies that increase organizational effectiveness while supporting responsible adoption within your district.	Danielle Bosanec Director of Professional Development Wisconsin Association of School Business Officials	September 3, 2026 10:00 am - 11:00 am	MoASBO Network Webinar	Information Technology
Budgeting with Multi-Year Replacement Plans	Join us for an insightful webinar where we will deep dive into the essential components of effective financial planning. Whether you're looking to optimize your organization's resources or prepare for future investments, this session is perfect for you.	Explain the role of multi-year replacement planning in supporting long-term financial stability.	Evaluate strategies to minimize unexpected costs and operational disruptions.	Apply best practices for forecasting future capital needs.	Dr. Jordan Henegar CFO Joplin School District	October 29, 2026 10:00 am - 11:00 am	MoASBO Network Webinar	Finance - Technical
The Board Whisperer - Strengthening Relationships	Organizations often struggle to establish effective methods of effective cross-team collaboration. More specifically, finance, human resource and board divisions sometimes experience inherent conflicts due to differing priorities and perspectives. Left unaddressed, these conflicts may hamper the organization's ability to reach the goals and objectives outlined in its strategic plan. This presentation provides specific steps and strategies designed to foster a collaborative-rich environment.	Identify common sources of conflict and misalignment between finance, human resources, and board leadership, and recognize their impact on organizational effectiveness.	Apply communication and relationship-building strategies that foster trust, collaboration, and productive partnerships among cross-functional teams and governing boards.	Develop an action plan for strengthening board and staff relationships that supports organizational goals, improves decision-making, and advances strategic priorities.	Dr. Tim Dilg Superintendent Valley Park School District	November 10, 2026 1:00 pm - 2:00 pm	MoASBO Network Webinar	Communications & Marketing
Strategic Stewardship - Managing School Activity Funds Effectively	This webinar will address what a school business official needs to know to manage Activity Funds. Participants in this webinar will be given information on: Cash Handling and Revenue Collection Procedures, Allowable Expenditures, Fundraising Best Practices, Booster Club/PTO Guidelines, Internal Controls, Common Audit Findings.	Implement sound activity fund management practices by applying appropriate cash handling, revenue collection, and internal control procedures to safeguard district resources.	Evaluate activity fund expenditures and fundraising activities to ensure compliance with district policies, legal requirements, and best practices for student organizations.	Identify common audit findings and areas of risk related to activity funds, booster clubs, and PTO organizations, and develop strategies to improve accountability and financial oversight.	Cydnee Byous CFO Rockwood School District	December 2, 2026 1:00 pm - 2:00 pm	MoASBO Network Webinar	Accounting (Governmental)
