Elementary School & Middle School Fees

Enrollment Fee: When a spot is offered and your family decides to accept a space at MAC, we require a \$1,000 nonrefundable enrollment fee with acceptance (\$750 is a one-time family enrollment fee, and there is a \$250 placement fee per child enrolling at MAC).

Experience Fee: There is a \$2,000 Annual Experience Fee for 6th, 7th, and 8th grade students. This is used to support place-based student educational activities during the academic year which may include transportation, registration, admission, and instructional materials.

Admissions Overview

Prior to a family being offered a placement at MAC, we require a family interview with the child's parent(s) or guardian(s). This interview allows the family to have a more personal conversation with our Admissions Team. Children will be invited to our Elementary or Middle School program to spend half or a whole day to work and be assessed by our Admissions Team.

5-year-olds through Middle School students will be eligible to attend summer camp sessions led by Steve & Kate's Camp.

At MAC, new tuition rates go into effect on September 1. We inform families via email and our website when changes are made to our tuition and fees. These changes are voted on by our Board of Trustees in January for the next school year.
