

Welcome Back!

AIG Newsletter

Welcome Back!

We are so excited to be back to welcome all of our returning and new AIG students this year! Meet the Teacher will be **July 30th from 4-7pm** if you would like to stop by while you are on campus. If you have not signed this year's differentiated education plan (DEP) for your child we will have them for you to sign while you are on campus (many of you have already done this).

We will be splitting the grade levels between the two of us. Mrs. McGuyrt will work with 5th and 6th grade students, and Mrs. Booser will be working with students in 3rd and 4th grade. Our classrooms are remaining the same: Mrs. McGuyrt's classroom will be on the 1st grade hall and Mrs. Booser on the 6th grade hall.

There are lots of fun projects planned to engage your student this year and enrich their grade level curriculum. We will send out monthly emails to keep you updated on what we are working on. If you don't receive these emails, please reach out so we can add you to the emailing list.

AIG Supplies

- (1) Composition Notebook
- (1) 2 Pocket Folder

If your child has a notebook/folder from last year that is still in good condition, they are welcome to use it again this year.

AIG Schedule

AIG pull outs will start the second week of school (week of 8/10). Students will have time to work in the AIG classroom for 30 minutes in math and/or reading each week in addition to the enrichment time that is built into their homeroom schedule.

MEET YOUR Teacher

About

Hi, my name is Rachel McGuyrt! I have been teaching since 2014 and have experience as a 3rd grade, 4th grade, and K-6 AIG teacher. I earned my Bachelor's Degree in Elementary Education from East Carolina University- Go Pirates! After a few years of teaching, I decided to return to ECU to pursue an add-on license for Gifted Education. I had the opportunity to start the AIG program at Wake Prep during our opening school year and I am looking forward to watching it grow. My goal is to engage students in active learning that promotes critical thinking and problem solving. I also strive to build a strong classroom community and stay connected with families throughout the school year. I enjoy working with all of my students and can't wait to have a wonderful school year!

MEET YOUR Teacher

About

Hi, I'm Lisa Booser and I am excited for another year in AIG! I earned Bachelor Degrees in Elementary Education and Special Education from Slippery Rock University in Pennsylvania. I have been teaching in NC since 2005. I helped open WPA as a 4th grade teacher and then transitioned into AIG during year 4.

My goal is to help students reach their academic potential. I enjoy enhancing the curriculum to help meet the needs of all students and look forward to working with the students this year.

My Favorites

SUBJECT TO TEACH: Math
