

Welcome to the 2026–2027 School Year!

Transportation Bus Passes Are Now Open

Dear TUSD Families,

Welcome to the 2026–2027 school year! We hope you and your family have enjoyed a wonderful summer. Our Transportation Department is excited to welcome students back and remains committed to providing safe, reliable, and efficient transportation services throughout the school year.

Transportation bus passes are now available for purchase through LINQ Connect. Purchasing your pass before school begins helps ensure your student is assigned to the appropriate route and ready for the first day of school. We encourage families to complete registration as soon as possible.

Purchase Your Bus Pass

Purchase or manage your bus pass through LINQ Connect:

Families who may qualify for reduced transportation fees should complete the [meal application](#) in LINQ Connect before purchasing a pass.

New Bus Stops for 2026–2027

To better serve our growing community, the following neighborhood stops have been added:

- One Lake Drive & Cinnabar
- Nut Tree Road & Farmington Drive
- Helmsley Drive & Telford Way

Please verify your assigned stop and route information before the first day of school, as arrival times may change.

Transportation Safety

The safety of our students is our highest priority. We ask every family to review transportation expectations with their student before the first day of school. Students should arrive at their bus stop a few minutes early, stay clear of traffic, follow the driver's directions, remain seated while the bus is moving, and demonstrate respectful behavior at all times.
