their future.*

THE SAINTS COMMUNITY FUND

Benefitting the Students of Saint Thomas Aquinas

SAINTS COMMUNITY FUND

Our mission of helping students pursue life as Saints means encouraging them to discover their God-given gifts and who God is calling them to be. Whether as athletes, performers, or members of our many clubs and activities, students have countless opportunities to develop their strengths. These experiences are made possible through gifts to our annual giving program, the Saints Community Fund.

Why Your Participation Matters

Your tax-deductible gift to the Saints Community Fund is more than a donation, it is a powerful expression of your belief in our mission and your commitment to helping form the young men and women God is calling to be Saints. Last year, just 14% of our families chose to invest in this mission.

Imagine the impact if even more families joined in giving! Your participation sends a powerful message that says you believe in our school, you believe in our students, and you are committed to their future. We need your help in reaching our goal this year. Every gift matters!

To be a student at Saint Thomas Aquinas is truly such a privilege. It means being part of a community that values not only academics, but also athletics, leadership, and personal growth. At Aquinas, there are so many opportunities to get involved and be in such an amazing community, building personal growth, and lessons and memories I will cherish for a lifetime.
