STUDENT PARKING PERMIT APPLICATION

Parking permits entitle a student to park in the student parking lot. They are not a guarantee of a specific space. Permits can be revoked at any time if a student does not follow the guidelines.

A valid driver's license is required at time of purchase. Permits are valid for the entire 26-27 school year. Seniors have the first option to buy starting at 9am on 8/10, (if there are remaining permits, the sale schedule is as follows) juniors starting at 9 am on 8/11. All other sales begin 8/12 should they be available. **Permits are valid to park in student lots A & C.** Once purchased, complete a permit application form to pick up your permit. Parking is limited and all spaces will be sold. Once the permits sell out, students can place themselves on the waitlist on the Cowboy Webstore or come to the Activities Window to be placed on the waitlist. **Tuesday, August 11th students can start turning in applications to the Activities Window. For the permit to be valid after purchase you MUST turn in a completed application and adhere the permit, visibly to your windshield in the lower left hand corner (driver's side).**

Monday, August 17th, parking tickets will begin to be issued. Do not park in the student parking lot if you do not have a valid LHS parking permit adhered to your windshield in the lower driver side corner.

Students who park in the student lot without a permit, or who park in the staff lot (even if you have a permit) will be ticketed. Each ticket is $45.00 for the student lot and $50 for the Staff lot. If a late charge is incurred the fine doubles and can hold up the vehicle registration until paid. You will receive a notice via US mail with the due date and the address to send payment to. **Ticket fines are not payable to Livermore High School.**

- Permits must be adhered to the windshield on the driver's side in the lower left hand corner.
- Parking permits may be purchased at the price of **$50 per car and are valid for school year.**
- **If you lose your permit, replacement permits cost $15.**
- Permits will be sold on a first come, first serve basis to students according to sale dates listed above.
- If your car breaks down or for some reason you have to drive a different car for a day **do not park** in the student lot until you get a temporary parking pass from the Activities Office.
- Permits are registered to a specific student and car. The car must be registered and the driver of the car must be the permit holder.
- If you have multiple vehicles that you drive to school, you need to register and purchase a permit for each car. Each permit will cost $50.00.
- **R.O.P. Parking passes are not valid for LHS Parking Lots.**
- Permits may be revoked for any violation of school policy as described in the student handbook, behavioral offenses, etc. Furthermore, if there is evidence of breaking safety laws permits can be revoked.

By parking on school campus, I acknowledge that my vehicle may be subject to search by school officials, in matters pertaining to the maintenance of a safe and effective learning environment. Failure to voluntarily consent to a safety search will result in a loss of parking privileges on school campus.
