

Empowering you to own your health.

ADVANCED LAB TESTS AND TARGETED INSIGHTS INTO YOUR HEART, LIVER, THYROID, HORMONES, AND MORE.

Your Function membership includes:

- **Access to 160+ lab tests each year.**
Monitor for early indicators of thousands of diseases by tracking five times more biomarkers than your annual physical.
- **Actionable insights and clinician notes.**
Get a detailed summary of your results and a targeted action plan that help you reach your health goals.
- **Results tracking over time.**
Learn about your health right now, then track how it evolves by testing again in six months. Your results are stored in one secure place for easy access anytime.

Licensed clinicians review every step of the way.

Clinicians order every test, review all results, and share a detailed written summary with you.
