

mosyle@home

Mosyle@Home lets you set rules for safe and appropriate use of Apple Devices, reducing risks like Cyberbullying, inappropriate content, and excessive screen time.

Follow the steps below to start managing your child's device:

- 1** Go to the following URL to get started.

<https://myschool.mosyle.com/mosyleathome/>

- 2** Enter your email to create your account.

The screenshot shows the Mosyle@Home logo at the top. Below it is a text input field labeled "Enter your email to sign-up". A blue "NEXT" button is positioned below the field. At the bottom, there is a link that says "Already on Mosyle@Home or ScreenGuide? Click here to log-in".

- 3** Fill out your account info and click **Sign Up**.

The screenshot shows a profile icon at the top with the text "Click to change the picture" below it. There are two text input fields: "Nickname" and "Password". Below the "Password" field is an eye icon to toggle visibility. A line of text reads "By signing up, I agree to the Terms of Service and Privacy Policy". A blue "SIGN UP" button is at the bottom. The Mosyle@Home logo is at the very bottom.

- 4** Click **Create new family** to continue.

The screenshot shows a profile icon at the top with the text "Welcome John Smith!" below it. A message states: "You're now registered as a family guardian. To continue, join a family or start a new one." There are two buttons: "Create new family" and "Join existing family". The Mosyle@Home logo is at the bottom.

- 5** Enter your family name and click **Create**.

The screenshot shows a back arrow and the title "Create a family". It asks: "Are you the first person in your family to use Mosyle@Home to manage a school owned device used by a child?" and "If so, you're in the right place. Create your family profile by typing your family name below:". There is a text input field containing "John's Family" and a blue "CREATE" button. At the bottom, it says: "If not, go back and ask an activated family member to invite you by providing a guardian code." The Mosyle@Home logo is at the bottom.

- 6** Now you are signed in to your new account, click **New Member** and add your child to the account.

The screenshot shows a back arrow and the title "New member". There is a "Type" dropdown menu with "Child" selected. Below it is a profile icon with the text "Click to add a picture". There is a "Nickname" text input field and a "Birthday (optional)" section with "Month" and "Year" dropdown menus. A blue "CREATE" button is at the bottom.

- 7** On your child's device, open the camera app and scan the QR code displayed on your screen.

The screenshot shows a back arrow and the title "New Device to John Smith". It says: "On your child's device, open the camera app and read the QR code below". There is a large QR code. Below it is a compass icon and the text: "If the camera app is not available, open Safari and type the following URL:". A text box contains the URL: <https://myschool.mosyle.com/mosyleathome/connect/>. The Mosyle@Home logo is at the bottom.

- 8** You will be redirected to the Mosyle School app. Enter using your Mosyle@Home credentials.

The screenshot shows the Mosyle@Home logo at the top. Below it is a text input field for the email "joseph.smith@mosyle.com" and another for the password. A blue "SIGN IN" button is at the bottom.

After signing in to Mosyle School with your Mosyle@Home account, you'll be prompted to enter a code to connect your child's school device. Enter the code shown here:
