Mosyle@Home lets you set rules for safe and appropriate use of Apple Devices, reducing risks like Cyberbullying, inappropriate content, and excessive screen time.

Follow the steps below to start managing your child's device:

- 1 Go to the following URL to get started.

<https://myschool.mosyle.com/mosyleathome/>

- 2 Enter your email to create your account.

The screenshot shows the Mosyle@Home sign-up page. At the top is the Mosyle@Home logo. Below it is a text input field labeled "Enter your email to sign-up". A blue "NEXT" button is at the bottom. At the very bottom, there is a link that says "Already on Mosyle@Home or ScreenGuide? Click here to log-in".

- 3 Fill out your account info and click **Sign Up**.

The screenshot shows the account creation page. It features a profile icon at the top with the text "Click to change the picture". Below this are input fields for "Nickname" and "Password". A "SIGN UP" button is at the bottom. Above the button, there is a line of text: "By signing up, I agree to the Terms of Service and Privacy Policy".

- 4 Click **Create new family** to continue.

The screenshot shows the family creation page. It starts with a "Welcome John Smith!" message. Below that, it says "You're now registered as a family guardian. To continue, join a family or start a new one." There are two buttons: "Create new family" and "Join existing family".

- 5 Enter your family name and click **Create**.

The screenshot shows the "Create a family" screen. It asks if the user is the first person in their family to use Mosyle@Home. It then prompts them to "Create your family profile by typing your family name below:" with a text input field containing "John's Family". A blue "CREATE" button is at the bottom.

- 6 Now you are signed in to your new account, click **New Member** and add your child to the account.

The screenshot shows the "New member" screen. It has a "Type" dropdown menu set to "Child". Below this is a profile icon with the text "Click to add a picture". There are input fields for "Nickname" and "Birthday (optional)" with "Month" and "Year" dropdowns. A blue "CREATE" button is at the bottom.

- 7 On your child's device, open the camera app and scan the QR code displayed on your screen.

The screenshot shows the "New Device to John Smith" screen. It instructs the user to "On your child's device, open the camera app and read the QR code below". A large QR code is displayed. Below it, there is a link: "https://myschool.mosyle.com/mosyleathome/connect/".

- 8 You will be redirected to the Mosyle School app. Enter using your Mosyle@Home credentials.

The screenshot shows the Mosyle@Home login screen. It has the Mosyle@Home logo at the top. Below it is a text input field for the email "joseph.smith@mosyle.com" and another for the password. A blue "SIGN IN" button is at the bottom.

After signing in to Mosyle School with your Mosyle@Home account, you'll be prompted to enter a code to connect your child's school device. Enter the code shown here:
