

mosyle@home

Mosyle@Home lets you set rules for safe and appropriate use of Apple Devices, reducing risks like Cyberbullying, inappropriate content, and excessive screen time.

Follow the steps below to start managing your child's device:

- 1 Go to the following URL to get started.

<https://myschool.mosyle.com/mosyleathome/>

- 2 Enter your email to create your account.

The screenshot shows the Mosyle@Home sign-up page. At the top is the Mosyle@Home logo. Below it is a text input field labeled "Enter your email to sign-up". A blue "NEXT" button is at the bottom. At the very bottom, there is a link that says "Already on Mosyle@Home or ScreenGuide? Click here to log-in".

- 3 Fill out your account info and click **Sign Up**.

The screenshot shows the account creation page. It has a "Click to change the picture" link with a person icon. Below that are input fields for "Nickname" and "Password". A "SIGN UP" button is at the bottom. There is also a link for "Terms of Service and Privacy Policy".

- 4 Click **Create new family** to continue.

The screenshot shows the family creation page. It says "Welcome John Smith!". Below that, it says "You're now registered as a family guardian. To continue, join a family or start a new one." There are two buttons: "Create new family" and "Join existing family".

- 5 Enter your family name and click **Create**.

The screenshot shows the "Create a family" screen. It asks "Are you the first person in your family to use Mosyle@Home to manage a school owned device used by a child?". Below that, it says "If so, you're in the right place. Create your family profile by typing your family name below:". There is a text input field with "John's Family" and a blue "CREATE" button.

- 6 Now you are signed in to your new account, click **New Member** and add your child to the account.

The screenshot shows the "New member" screen. It has a "Type" dropdown menu with "Child" selected. Below that is a "Click to add a picture" link with a person icon. There are input fields for "Nickname" and "Birthday (optional)" with "Month" and "Year" dropdowns. A blue "CREATE" button is at the bottom.

- 7 On your child's device, open the camera app and scan the QR code displayed on your screen.

The screenshot shows the "New Device to John Smith" screen. It says "On your child's device, open the camera app and read the QR code below". There is a large QR code. Below it, it says "If the camera app is not available, open Safari and type the following URL:". There is a text input field with the URL "https://myschool.mosyle.com/mosyleathome/connect/".

- 8 You will be redirected to the Mosyle School app. Enter using your Mosyle@Home credentials.

The screenshot shows the Mosyle@Home login screen. It has the Mosyle@Home logo. Below that, it says "Enter your password to login into your Mosyle@Home account." There is a text input field with "joseph.smith@mosyle.com" and a "Password" input field. A blue "SIGN IN" button is at the bottom.

After signing in to Mosyle School with your Mosyle@Home account, you'll be prompted to enter a code to connect your child's school device. Enter the code shown here:
