CHANDLER SCHOOL

CEC Session I

AUGUST 26, 2026 - JANUARY 15, 2027

As we begin a new school year, we are excited to welcome families to Chandler Extended Care (CEC) as we celebrate our 23rd year of providing high-quality after-school programming. Whether your family is returning or exploring CEC for the first time, we look forward to partnering with you to provide an engaging and enriching environment where students can learn, play and connect beyond the school day.

Aligned with the core priorities of Chandler's Strategic Plan, Leading Together, CEC offers a well-rounded program that extends the school day through homework support, creative activities, active play and a variety of enrichment classes for students in Kindergarten through 8th grade. Our caring staff is committed to creating an inclusive community where every child feels supported, builds meaningful friendships, develops confidence and discovers new interests.

We invite you to review the information below to learn more about our program and the enrollment options available. We look forward to welcoming your family to CEC and making this school year a fun, engaging and memorable experience for your child.
