

CHANDLER EXTENDED CARE | SESSION I

ENRICHMENT CLASSES

AUGUST 26, 2026 - JANUARY 8, 2027

CHANDLER
SCHOOL

Enrichment Classes

Chandler School employees and select vendors from the community lead Enrichment Classes. Enrichment Classes provide students with additional opportunities to explore special interests.

- FEES: Fees vary depending on the enrichment class selected.
- REGISTRATION: Refer to the Enrichment Class Descriptions on the following pages to view descriptions, teacher and separate fees.

Families may combine Enrichment Classes with the Unlimited Plan. If not enrolled in the Unlimited Plan, once enrichment class is dismissed, additional time will be billed at the drop-in rate of \$30 per hour.

CLASS DATES

Enrichment classes run *Wednesday, August 26, 2026 - Friday, January 8, 2027*. Please note there is still one week of CEC programming once Enrichment classes conclude on Friday, January 8, 2027. Families will be billed accordingly if no unlimited plan is in place to cover the hours.

Make-up Week is scheduled for January 11 - 15, 2027. If a vendor is unable to teach a class during the regular session, this week will be used to make up the missed class.

CLASS DESCRIPTIONS

3D PRINTING K-2

Students embark on a 3D educational journey, fueled by the power of 3Doodler! Using 3D printing pens, students break down complex science and math topics into hands-on, approachable tasks, bringing STEAM and design concepts to life. 3Doodler engages all students to promote teamwork, creative thinking, self-expression and focus. After experimenting with 3D printing pens, students will become engineers, designers and scientists wherever they go.

Instructor: Nexlore
GRADES K-2 | MON | 3 - 4 PM
FEE: \$500

ACTING FOR TV COMMERCIALS K-6

Join us for a fun, high-energy on-camera acting class designed for elementary and middle school students who love to perform, imagine and have fun! Whether your child is new to acting or already enjoys being on stage, this class provides a welcoming environment where students build confidence, creativity and communication skills while making new friends. Through television commercial scripts, theatre games, improvisation, partner scenes and fun acting activities, students will learn to express themselves, speak clearly and bring characters to life. Students will also have the opportunity to step into the role of director by guiding their fellow actors, sharing creative ideas and developing leadership, collaboration, and teamwork skills. Every class is filled with laughter, imagination and exciting opportunities to shine both in front of and behind

the camera! Join us now, all are invited. No experience needed.

Instructor: Neisha Folkles
GRADES K-2 | FRI | 2 - 3 PM
GRADES 3-6 | FRI | 3 - 4 PM
FEE: \$550

ANIMAL INVASION K-2

Animal Invasion is a class designed for all animal lovers! Students experience and interact with a variety of amazing creatures, including reptiles, amphibians, mammals, birds, insects and more. The class features fun activities, games, and most importantly, plenty of opportunities to learn about animals!

Instructor: Parker Anderson Enrichment
GRADES K-2 | WED | 2 - 3 PM
FEE: \$520

ATHLETICS 1-5

Athletics class offers a fun and engaging mix of different sports each week, including soccer, basketball, four square and relay races. The primary objectives are to improve hand-eye coordination, improve footwork, keep students active and encourage movement. The class aims to build students' confidence through participation in a variety of sports. It provides a dynamic environment for students to develop new skills and enjoy physical activity.

Instructor: Coach CC, Mindful Roots
GRADES 1-2 | MON | 2 - 3 PM
GRADES 3-5 | MON | 3 - 4 PM
FEE: \$520

BEYOND THE BOOK 6-8

Perfect for confident Spanish readers, this enrichment class immerses students in authentic Spanish texts, including fiction, nonfiction, and current events. Students will strengthen reading fluency, expand academic vocabulary, and engage in thoughtful conversations while exploring the rich cultures of the Spanish-speaking world.

Instructor: Señor Lugo
GRADES 6-8 | TUE | 3 - 4 PM
FEE: \$200

GUITAR 2-8

This course will introduce students to the fundamentals of guitar playing. We will spend about half of each class studying elementary chords, notes, music reading, music notation, rudimentary melodies and rhythmic fundamentals. The other half of class will be dedicated to applying that knowledge to learning to play songs that the students choose (pop, rock, folk, R&B, blues, etc.). This class is designed to help students create a positive, fun relationship with the guitar and music.

Instructor: David Elsenbroich
GRADES 2-3 | TUE & THURS | 3 - 4 PM
GRADES 6-8 | TUE & THURS | 4 - 5 PM
FEE: \$1,350

CHANDLER CHATS JR. 6-8

Chandler Chats Jr. gives middle school students the opportunity to create a real podcast from start to finish. Working as rotating hosts and production team members, students will interview guests, develop episode ideas, record, edit and produce content that will be featured on the *Chandler Chats* channel on Spotify and Apple Podcasts. Whether behind the microphone or

behind the scenes, students will gain hands-on experience in storytelling, communication and digital content creation. *Students who wish to be featured as on-air talent must have a signed media waiver on file.*

Instructor: Carmen Villanueva
GRADES 6-8 | WED | 3 - 4 PM
FEE: \$200

CHESS CLUB K-8

Chess Club introduces students to the exciting world of strategy, critical thinking, and problem-solving through one of the world's most timeless games. Designed for beginners and experienced players alike, the class builds confidence, patience, perseverance and resilience while teaching essential chess skills through interactive lessons, guided gameplay, strategy puzzles and friendly competition. Students learn openings, tactics, checkmate strategies, defensive play and endgame techniques, with instruction tailored to support every learner from first-time players to experienced competitors. Beyond the chessboard, students strengthen concentration, planning, decision-making, executive functioning and sportsmanship while learning to think several moves ahead. Whether making their first move or refining advanced strategies, every student leaves Chess Club with strong critical thinking skills, increased confidence and a lifelong appreciation for the game.

Instructor: Eight by Eight Enrichment

GRADES K-1 | THURS | 3 - 4 PM
GRADES 1-2 | THURS | 2 - 3 PM
GRADES 3-5 | TUE | 3 - 4 PM
GRADES 6-8 | THURS | 4 - 5 PM
FEE: \$500

COOK CLUB/BOOK CLUB K-2

Cook Club Book Club returns with more books and more dishes! It's the perfect class for those who love to read and cook. In this class, we will read a variety of books, thereby improving our reading & comprehension skills, learn cooking fundamentals (mixing, measuring, slicing, dicing and more), and make delicious dishes!

Instructor: Chef Anna, Radical Cooks
GRADES K-2 | WED | 2 - 3 PM OR 3 - 4 PM
FEE: \$550

EGGHEAD ASTRONAUTS K-1

Earth to Eggheads! Strap yourselves in and prepare for liftoff; we're heading to the cosmos in pursuit of some out-of-this-world Science. Join the Egghead crew as we tackle a new scientific concept each week using an astronomical array of demonstrations and hands-on experiments. We'll commemorate the volcanic moons of Jupiter with home-made lava lamps. We'll study the sun, space matter, and forces like drag and gravity. We'll even take aim for the stratosphere with our own film-cannister rockets (we may fall a few thousand feet short of our goal on that one, but it's the thought that counts). Science has never been this cool!

Instructor: Professor Egghead
GRADES K-1 | FRI | 2 - 3 PM
FEE: \$360

EGGHEAD ENGINEERING 2-3

What do the Golden Gate Bridge, LA City Hall, and Point Arena Lighthouse all have in common (besides being California landmarks)? They're all structures that can be built with LEGO bricks in this session of Egghead Engineering! Join the Egghead team as we design, build and test LEGO bridges, towering skyscrapers, underground

tunnels and more in order to learn the foundations of engineering and see what it takes to build the most solid structures imaginable. Each class presents new opportunities for creativity - no challenge is too big for the Egghead team to tackle!

Instructor: Professor Egghead
GRADES 2-3 | FRI | 3 - 4 PM
FEE: \$360

HIP-HOP DANCE K-2

A high-energy class introducing kids to foundational hip-hop choreography, rhythm and freestyle. Students will build confidence, coordination and creativity while having FUN.

Instructor: Divinty Gaines
GRADES K-2 | THURS | 2 - 3 PM
FEE: \$500

ISEE TEST PREP COURSE 8

A comprehensive preparation course designed to build the skills and stamina students need for the ISEE. The course covers all tested content areas: verbal reasoning, quantitative reasoning, reading comprehension and math achievement through targeted instruction, timed practice and strategy-based test-taking techniques. The program begins with a full-length diagnostic exam to establish each student's baseline and tailor instruction accordingly and concludes with a post-practice test and score report to track progress.

Class Dates: September 1, 8, 22, 29
October 6, 13, 20, 27
November 3, 10

Instructor: LA Tutors
GRADE 8 | TUE | 3:30 - 5 PM
FEE: \$900

IN THE KITCHEN WITH SEÑOR LUGO 6-8

Discover the vibrant flavors of Mexico in this fun, hands-on after-school class! Middle school students will prepare and enjoy a variety of authentic Mexican dishes while learning about the traditions, history, and regional influences behind each recipe. From savory favorites to delicious desserts, each class is a flavorful journey that brings culture and cuisine together.

Instructor: Señor Lugo
GRADES 6-8 | THURS | 3 - 4 PM
FEE: \$200

JUNIOR ENGINEERS 6-8

Bridges, Catapults & Marble Machines Design, model, and build in 3D! Students master spatial reasoning and digital prototyping by designing 3D models of buildings, tools and wearable technology using TinkerCAD. They'll learn the fundamentals of digital fabrication and prepare for real-world engineering applications.

Instructor: Kodely
GRADES 6-8 | MON | 3 - 4 PM
FEE: \$570

JUNIOR FOODPRENEUR 5-8

Love food? Have big ideas for the next food product or business? In this hands-on class, we will learn what it takes to become a food entrepreneur! Students will learn the fundamentals of starting a food business, including product development, branding, marketing, pricing, budgeting, customer service, and business planning. Through interactive activities and creative projects, each student will develop a food business concept and present it in a final business pitch. This class builds

confidence, problem-solving skills, financial literacy, and entrepreneurial thinking. No business experience required—just imagination and a love for food!

Instructor: Chef Nina, Radical Cooks
GRADES 5-8 | TUE | 4 - 5 PM
FEE: \$550

KIDS IMPROV 1-2

Get ready to think fast and laugh out loud! In Improv Games, students will explore the fun and wacky world of improvisation through theatre games that build creativity, confidence, and collaboration. From silly characters to surprising stories, kids will learn to trust their instincts, say "yes, and..." and work together as a team all while having a blast. This high-energy class is perfect for budding performers and shy kids alike. No scripts, no pressure, just imagination and fun!

Instructor: Josh Futchner
GRADES 1-2 | MON | 3 - 4 PM
FEE: \$520

KITCHEN CHEMISTRY K-2

Chemistry is more fun when it bubbles, foams, changes color, or turns into ice cream you can actually eat. Every Tuesday, your child steps into a real chemistry lab — goggles on, notebook open, ingredients ready — and runs an experiment they'll be talking about all week.

Instructor: Kodely
GRADES K-2 | MON | 2 - 3 PM
FEE: \$570

KITCHEN CREATOR LAB 2-5

Calling all inquiring minds! Come learn art AND science through cooking! Students become chefs, scientists, and artists and as we experiment with chemical reactions in baking, why bread rises, how flavors develop, and explore concepts such as emulsions, fermentation, caramelization, and nutrition. Through fun experiments and kid-friendly recipes, we will learn to measure, chop, mix, bake, and taste our way through lessons that build confidence, creativity, and critical thinking in the kitchen. Recipes, aprons, and handouts included.

Instructor: Chef Nina, Radical Cooks
GRADE 2 | TUE | 2 - 3 PM
GRADES 3-5 | TUE | 3 - 4 PM
FEE: \$550

KNITTING 2-8

Decompress and knit away with Que Friday afternoons! Knitting is a great way to inspire creativity, concentration, and relaxation while improving math skills. Beginners to advanced knitters welcome.

Instructor: Que Lam
GRADES 2-8 | FRI | 3 - 4 PM
FEE: \$300

MANDARIN K-5

An engaging introduction to Mandarin Chinese for our youngest learners, designed to build foundational language skills through age-appropriate, interactive instruction. Students will develop listening, speaking and basic vocabulary skills in Mandarin through songs, games and guided practice with lessons incorporating pronunciation and cultural exposure.

Instructor: LA Tutor

GRADES K-2 | TUE | 2 - 3 PM

GRADES 3-5 | TUE | 3 - 4 PM

FEE: \$650

MARIACHI TRÉBOL 3-8

Join Chandler School's Mariachi Trébol, where students will immerse themselves in the rich cultural heritage of mariachi music. Our program offers hands-on instruction with traditional instruments, fostering musical skills, teamwork and cultural appreciation. While we welcome all skill levels, please note that preference will be given to returning students as we build on our previous successes and experiences.

Instructor: Carmen Villanueva
GRADES 3-8 | FRI | 3 - 4 PM
FEE: \$200

MARTIAL ARTS ENRICHMENT K-8

Join the class and discover the art of Chuan Shu! In this dynamic martial arts program, students build physical and mental fitness through disciplined, age-appropriate training in a safe and structured environment. Each week, they'll learn foundational stances, strikes, kicks and blocks while building focus, self-control and respect for themselves and others. Through partner and solo skill practice, traditional forms and character-building games, students grow in confidence and discipline while working toward a structured belt progression system. This program emphasizes respect, focus and self-defense fundamentals — giving students tools they can carry both on and off the mat. The session concludes with an in-class ceremony,

where students demonstrate their new skills. No prior martial arts experience is required, just a willingness to focus, work hard and have fun.

Instructor: Sipoo Shelene Herring & Sifu Solomon Herring
GRADES K-2 | WED | 2 - 3 PM
GRADES 3-8 | WED | 3 - 4 PM
FEE: \$720

PAPER ART CREATIONS K-2

Get ready to fold, cut, tear and create! In Paper Art Creations, students will use a variety of papers to make fun and colorful projects while exploring different art techniques. From paper sculptures and mosaics to origami, collages and seasonal crafts, each class gives young artists the chance to use their imagination and bring their creative ideas to life - one piece of paper at a time!

Instructor: Melissa Ambriz
GRADES K-2 | MON | 3 - 4 PM
FEE: \$200

ROCKET SCIENCE 3-5

Junior astronauts get ready to blast off as they explore the universe in this exciting class! They launch everything from filmcanister rockets to water bottle blasters, hoopster gliders, and more. Students adventure through the solar system and beyond as they learn about planets and the galaxy!

Instructor: Parker Anderson Enrichment
GRADES 3-5 | WED | 3 - 4 PM
FEE: \$520

PAINTING THE MASTERPIECE 3-8

Get ready to step into the shoes of the greatest artists in history and create your very own masterpieces! In this colorful, hands-on class, young artists will explore the iconic works of legends like Pablo Picasso, Vincent Van Gogh, Andy Warhol, and Jackson Pollock. Each class, we'll dive into the vibrant world of a master artist, learning their stories, techniques, and what made their art so unforgettable. Then, the fun really begins as we recreate their famous works like Picasso's *Girl Before a Mirror*, Van Gogh's *Starry Night*, Warhol's bold Pop Art and Pollock's splattered Abstract Expressionism with our own creative twists! By the end of the course, our young artists will have a collection of masterpieces so stunning that parents will be left with a delightful dilemma: which ones go on the fridge, and which ones deserve a frame? Grab your paintbrush and join us for an unforgettable summer of art, creativity and self-expression!

Instructor: Josh Futchter
GRADES 3-8 | FRI | 3 - 4 PM
FEE: \$520

SHAMROCK DETECTIVES K-2

There are many unsolved mysteries at Chandler School, and the cold cases known as The Shamrock Files are piling up! We're looking for a team of sharp-eyed Junior Detectives to gather clues, examine evidence, crack secret codes and solve mysteries. Each week, detectives will take on a new case as they work together to uncover hidden clues, investigate suspects and solve the mystery before time runs out. Do you have what it takes to crack the case?

Instructor: Kalea Robison
GRADES K-2 | TUE | 3 - 4 PM
FEE: \$200

SKETCH COMEDY LAB 4-8

Get ready to laugh, create, and perform week after week! In Sketch Comedy Lab, students will dive into the art of building a joke from the ground up, starting with quick-fire improv games and story sparks, then growing their ideas into fully written and rehearsed comedy sketches. Each session builds on the last, as students learn to craft original characters, structure short scripts and collaborate in a fun, supportive “writers’ room” atmosphere inspired by real comedy shows. As the weeks go on, students will strengthen their comedic timing, sharpen their listening and writing skills and grow more confident in their ability to perform for an audience. The class will culminate in a live sketch showcase where families and friends can see their creativity in action. No prior acting or writing experience is needed - just a playful spirit and a love of making people laugh.

Instructor: Josh Futchter
GRADES 4-8 | MON | 3 - 4 PM
FEE: \$520

SPEECH AND DEBATE 3-5

Join a community of passionate students dedicated to honing critical thinking, persuasive communication and leadership abilities. In Nexple Speech & Debate, orators learn to organize and articulate their ideas on a wide range of topics. Open-minded discussions require students to actively listen, think on their feet and communicate complex ideas with empathy and eloquence. Along with planned debates, the course integrates exciting strategy activities and improvisation, so students have a blast while developing important rhetorical skills.

Instructor: Nexple
GRADES 3-5 | THURS | 3 - 4 PM
FEE: \$500

SPIRIT CLUB K-5

Join our thrilling adventure of rhythm, energy and Chandler pride! Here, cheers and dances aren’t just routines; they are powerful performances that fuel Chandler’s spirit. We’ll master athletic stunts, vibrant dance sequences and the art of captivating cheers. With every beat, leap and chant, we celebrate our School’s spirit. Get ready to dazzle with Chandler pride!

Instructor: Jasmine Larsuel
GRADE 1 | WED | 2 - 3 PM
GRADE 2 | WED | 3 - 4 PM
GRADE K | THURS | 2 - 3 PM
GRADES 3-5 | THURS | 3 - 4 PM
FEE: \$200

SPORTS AROUND THE WORLD 1-2

This class exposes students to sports they may never have experienced. They will have the opportunity to try Cricket, Australian Rules Football (AFL) and Rugby League, just to name a few. These sports not only teach kids about international cultures and open their minds to the world outside of American sports, they also teach different athletic abilities that students may not have otherwise come across in their lives - kicking, catching, hand-balling, running, bouncing and most importantly: scoring goals! Played “non-contact” style, these are sports like no other and are bound to make little athletes soar sky-high!

Instructor: Josh Futchter
GRADES 1-2 | FRI | 2 - 3 PM
FEE: \$520

YOGA 3-8

Get ready to move, stretch, and imagine! In Yoga Adventure, students will explore yoga through storytelling, games, music, breathing exercises and creative movement. Each class takes children on a new adventure while helping them build strength, balance, flexibility, focus and confidence. Students will learn foundational yoga poses, mindfulness techniques, healthy breathing habits and simple relaxation practices they can use both in and outside the classroom. Activities include partner poses, movement challenges, obstacle courses, animal-inspired yoga, mindfulness games and guided relaxation.

Instructor: Divinity Gaines

GRADES 3-8 | THURS | 3 - 4 PM

FEE: \$500
