

School-Parent Compact

Lee County Primary School

2026-2027

Revised on 6/2/26

Dear Parent/Guardian,

Lee County Primary School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Lee County Primary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to complete school surveys to give input on curriculum nights for parents. Parents are also encouraged to attend the Title I input meeting in the spring and to submit Title 1 parent surveys that are also used as a tool to collect parent feedback regarding the current Title 1 programs and policies. The surveys are shared throughout the year.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

Lee County School System Priorities and Focus SY27

- ★ Literacy | Reading on Grade Level
- ★ Engagement | Lessons and Student interaction
- ★ Additional Transparency | Finance
- ★ Expand Communication | Tell our stories | District & School
- ★ Effective and Efficient

LEE COUNTY PRIMARY SCHOOL GOAL:

- **Goal:** By the end of the academic year, supported by administration and coaches, LCPS will increase the proficiency of all students reading on or above grade level by 3% as measured by the fall and spring administrations of the universal screeners.
- **Goal:** By the end of the academic year, supported by administration and coaches, LCPS will increase the proficiency in grade level mathematical skills by 3% as measured by the fall and spring administrations of the universal screeners.

To help your child meet the district and school goals, the school, you, and your child will work together to:

SCHOOL/TEACHER RESPONSIBILITIES:

Lee County Primary School will provide families with monthly newsletters that feature information from each grade level. The newsletter will explain the standards being taught during the month as well as sharing family activities to help at home. Along with the newsletter, LCPS will provide family engagement nights as well as other engagement opportunities offered by the district. During these events, teachers will demonstrate ELA and Math curriculum/standards being taught in classes. Parents have suggested adding make and take sessions where teachers can guide parents through various activities to make and take home resources to use with their child. Teachers will provide parents with a list of the priority standards and the rubrics for each standard. Teachers will keep the families informed of their student's progress and needs.

PARENT RESPONSIBILITIES:

We, as parents, will read the class/school newsletter and participate in at least one of the family engagement nights. Any make and take activities will be used to help our child succeed in ELA and Math.

STUDENT RESPONSIBILITIES:

Students will bring home the grade level newsletter each month and give parents all information about the family nights. Students will try to attend at least one family engagement night. Students will work at home with family, using the resources provided by the teacher.

COMMUNICATION ABOUT STUDENT LEARNING:

Lee County Primary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Class newsletters/web based communication to parents
- Parent Portal
- Parent-Teacher conferences
- Daily folders
- Emails
- Phone calls
- Parent Square App

ACTIVITIES TO BUILD PARTNERSHIPS:

Lee County Primary offers ongoing events and programs to build partnerships with families such as:

- Parent-Teacher Conferences
- Parent Workshops
- Curriculum Nights
- Open House
- Volunteering/Observing

Please call (229) 903-2180 to schedule an appointment with your student's teachers or visit our Website, www.lee.k12.ga.us, and click on the Parent Information link to learn more information.

Parents have the right:

- to know the professional qualifications of their child's teacher(s) including the degrees and certifications held, and whether the teacher is certified in their respective area of instruction.
- to know the school improvement status of the school.
- to know the level of achievement of their child in each area of the state assessment.
- to know if their child has been assigned, or has been taught for at least four consecutive weeks, by a teacher who does not meet the highly qualified definition.

As part of its assurances within the consolidated grant application and pursuant to Section 1116(d) of the Every Student Succeeds Act (ESSA), a school system accepting federal funds also agrees to adopt local written procedures for the receipt and resolution of complaints alleging violations of law in the administration of covered programs.
