

SCHOOL PROFILE

OUR VISION

Iroquois High School, as a globally aware community, is built on high expectations that encourages a positive environment. This environment inspires students to develop the skills to think critically, creatively and take ownership of their own learning. The opportunities will be provided by teachers, staff and administration through innovative, engage and rigorous instruction that promotes a culture that is safe, respectful and effective.

THE SCHOOL DISTRICT AND THE COMMUNITY

The Iroquois Central School District embraces approximately 84 square miles within the Towns of Elma, Marilla, Wales, Aurora, Lancaster and Bennington. We offer a unique blend of suburban/rural living which combines residential and agricultural areas. It is located approximately fourteen miles southeast of Buffalo in Erie County. The district has a population of 22,000 with a limited industrial base.

Iroquois High School is a highly regarded educational institution serving approximately 625 students enrolled in grades 9-12. The school boasts a strong, expert faculty and comprehensive curriculum. Art, music and athletic programs maintain high enrollments and afford students the opportunity to gain real world experience. Approximately 79% of graduates move on to higher education.

GRADING

All grades are numerical and unweighted. The determination of final grades is done by using 1/5 of final examination and 4/5 of the quarterly grades. A final grade of 65 is the minimum passing grade. All students take final exams where they are offered, unless they have an exempt status.

When computing rank in class, Advanced Placement courses are weighted at 1.05 and are the only weighted courses. All courses for which numerical grades are given are included whether passed or failed. All students who expect to graduate, regardless of program, are included in the ranking.

The valedictorian and salutatorian are selected at the end of the 30 week marking period of their senior year.

A+ = 97 - 100
A = 93 - 96
A- = 90 - 92

B+ = 87 - 89
B = 83 - 86
B- = 80 - 82

C+ = 77 - 79
C = 73 - 76
C = 70 - 72

D+ = 68 - 69
D = 66 - 67
D- = 65
F = 60 - 64

Graduation Requirements

22 Units of credit are required for graduation including:

4 units of English

3 units of Mathematics

0.5 unit of Health

4 units of Social Studies

3 units of Science

1 unit of Fine Art

2 units of Physical Education

1 unit of World Language

3 units of Electives

*Students enrolled in an approved Career & Technical Program who successfully complete CTE Tech Writing may be eligible to receive one unit of credit to meet the fourth unit of core credit in English, and 3rd core credit in Math and Science.

**Graduation requirements include completing 32 Community Service hours.

DUAL ENROLLMENT COURSES

Hilbert College

French V, Spanish V, College Writing, AP Literature, AP Statistics - 3 credits
Human Anatomy & Physiology A & B - 4 credits
