Dear Suder Wildcat Families,

It is with great excitement and gratitude that I welcome both our returning and new families to Lillie E. Suder Elementary School. Whether this is your first year as a Wildcat or you have been part of our family for years, we are honored that you have entrusted us with your child's education. Together, we look forward to a year filled with meaningful learning, lasting relationships, and extraordinary opportunities for every scholar.

This year marks an exciting new chapter in the Suder story as we proudly embrace our theme: **Global Thinkers • Future Leaders**

Our vision is to prepare scholars who are confident learners, compassionate citizens, innovative problem-solvers, and future-ready leaders. Every classroom experience, every relationship, and every opportunity will be intentionally designed to help students think beyond the walls of our school and discover the limitless possibilities that await them.

As we continue building upon the strong foundation established at Suder Elementary, our commitment remains unwavering: Student Success is at the center of every decision we make. Throughout the year, our scholars will experience rigorous instruction, engaging learning opportunities, leadership development, and experiences that foster curiosity, creativity, collaboration, and critical thinking. We are especially excited to launch the first cohort of our Cambridge International Global Perspectives initiative, providing scholars with authentic opportunities to develop a global mindset while strengthening the skills necessary for success in school and beyond.

Our school motto continues to guide everything we do: Learning that Elevates and Growth that Lasts!

Learning is more than mastering standards—it is about inspiring curiosity, building confidence, and creating experiences that empower children to reach their fullest potential. We believe every child deserves a learning environment where they feel safe, valued, challenged, and celebrated.

Parents and families remain our most valuable partners. Your encouragement, involvement, and support play a critical role in your child's success. I encourage you to remain actively engaged by attending school events, joining us for family activities, communicating regularly with your child's teacher, and following our school through ClassDojo, Facebook, and Instagram for important updates and celebrations throughout the year.

As we begin this new school year, I ask every member of our Wildcat family to join us in committing to three simple promises:

- Be Present. Every school day matters.
- Be Engaged. Learn with purpose and curiosity.
- Be Respectful. Show kindness, integrity, and pride in everything you do.

Together, we will continue building a school culture where excellence is expected, relationships matter, and every scholar is empowered to thrive. Thank you for choosing Suder Elementary. It is truly a privilege to serve as your principal, and I look forward to partnering with you throughout what promises to be an outstanding school year.

Welcome back, Wildcats! Let's make the 2026–2027 school year our best year yet!

With Wildcat Pride,

LeKisha R. Anderson, Ed.S.
