Parents/Guardians

We would like to share some information about the **Gear Up for Graduation** Program housed at **Moore Middle School**.

**Students do not have to currently attend Moore Middle School.*

The **Gear Up for Graduation Program** is designed for students who attend any Gwinnett County middle school and have successfully met the promotion requirements for 7th grade. This unique opportunity allows eligible students to accelerate their academic progress and align more closely with peers in their age group.

Students may benefit from this program for various reasons, including a delayed start to kindergarten due to a later birthday or having been retained at some point during their academic journey. Upon successful completion of the program, students may earn **Carnegie Units (high school credits)** that can enable them to enter their zoned high school as a **10th-grade student** the following school year.

The Gear Up for Graduation Program offers a rigorous and engaging curriculum designed to prepare students for future academic success. Participants will enroll in the following courses:

- Georgia Studies
- Physical Science
- 9th Grade Literature
- Enhanced 8th Grade Mathematics with Algebra Concepts
- Introduction to Healthcare Science
- Health and Physical Education

Through these courses, students have the opportunity to earn **up to five Carnegie Units** before entering high school. For reference, students must earn **23 Carnegie Units** to meet Georgia's high school graduation requirements.

Important Information for the 2026-2027 School Year

To participate in the Gear Up for Graduation Program, students must meet the following requirements:

- **Students must have a birth date on or before September 30, 2012.**
- **Transportation is only provided for students zoned for Moore MS, Jordan MS and Richards MS.**
- **Transportation is the responsibility of the parent/guardian for students zoned for other schools.**

Parent and Guardian Partnership

We welcome the opportunity to answer questions and provide additional information to help families make informed decisions and we are excited to offer this valuable opportunity.

For additional information or to discuss your child's eligibility, please contact:
